Now Is The Time . . .

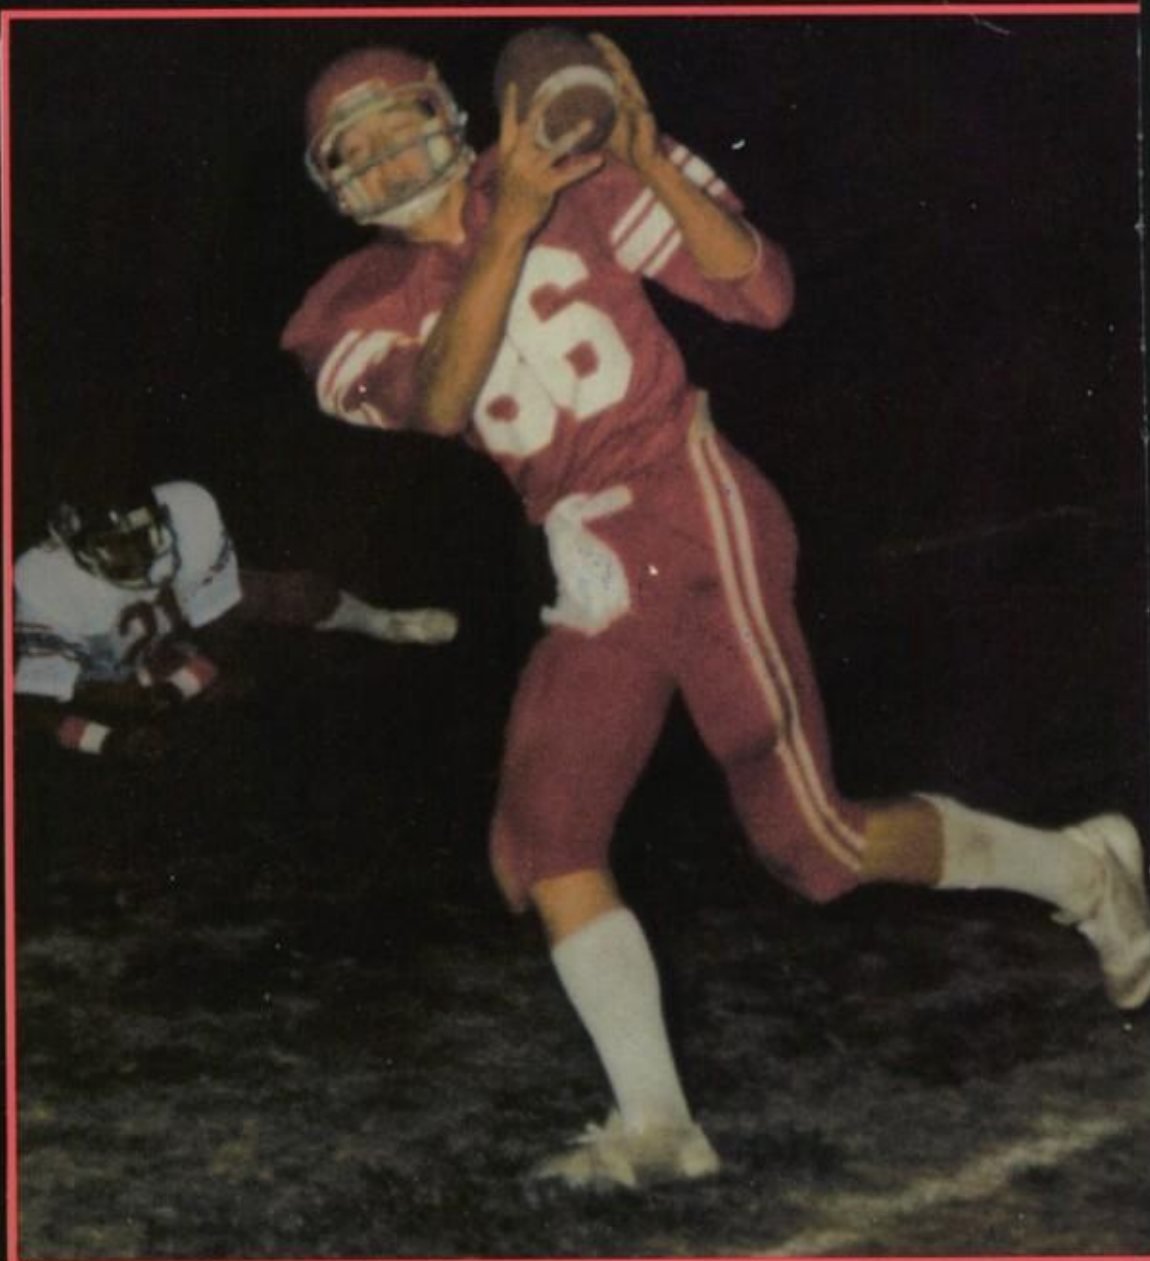

. . . to let our creativity and leadership shine through into our specific interests. To use our spare time improving our skills, to make decisions and to represent our school. A time to make way for improvement while building confidence. Coming one step closer to the fulfillment of being involved.

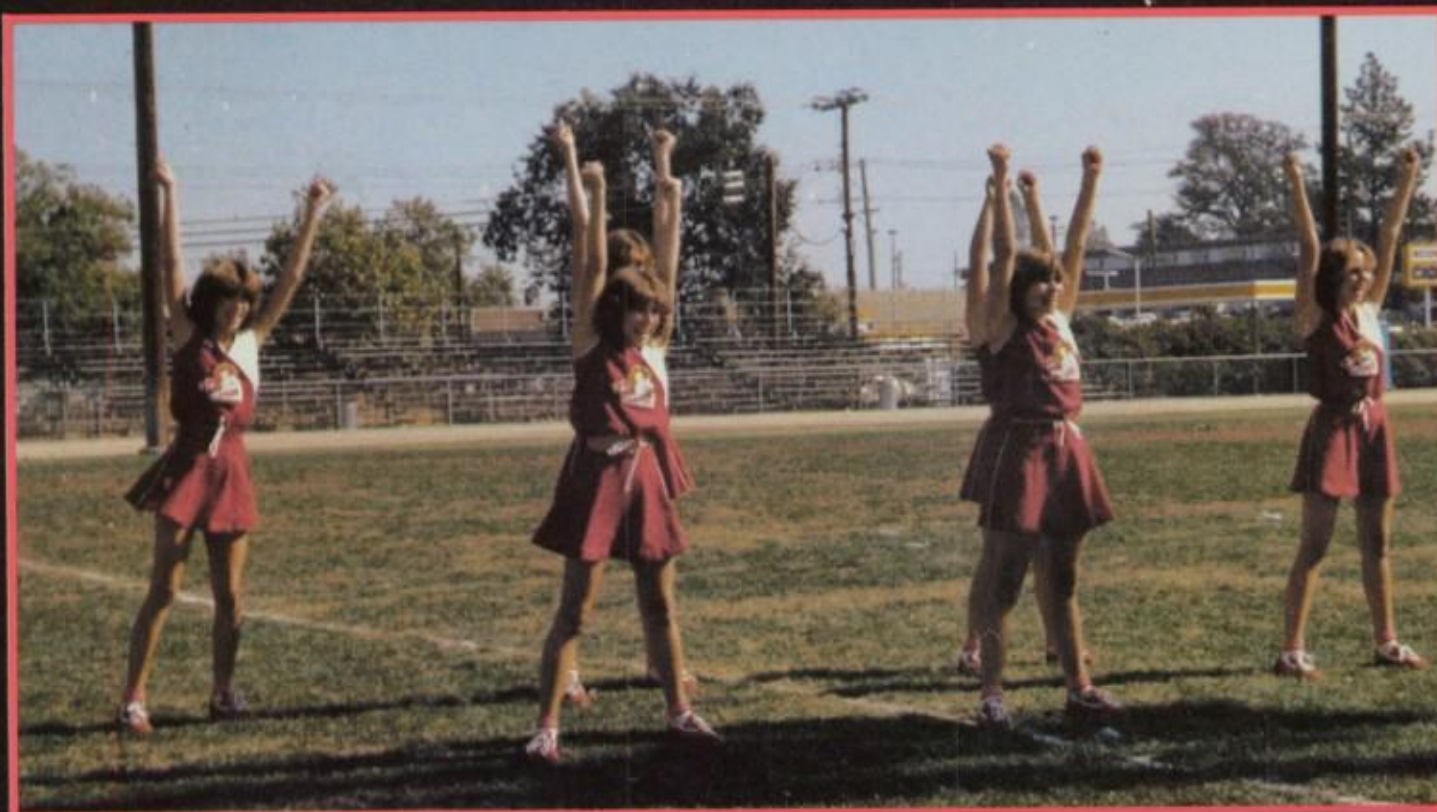

Now Is The Time . . .

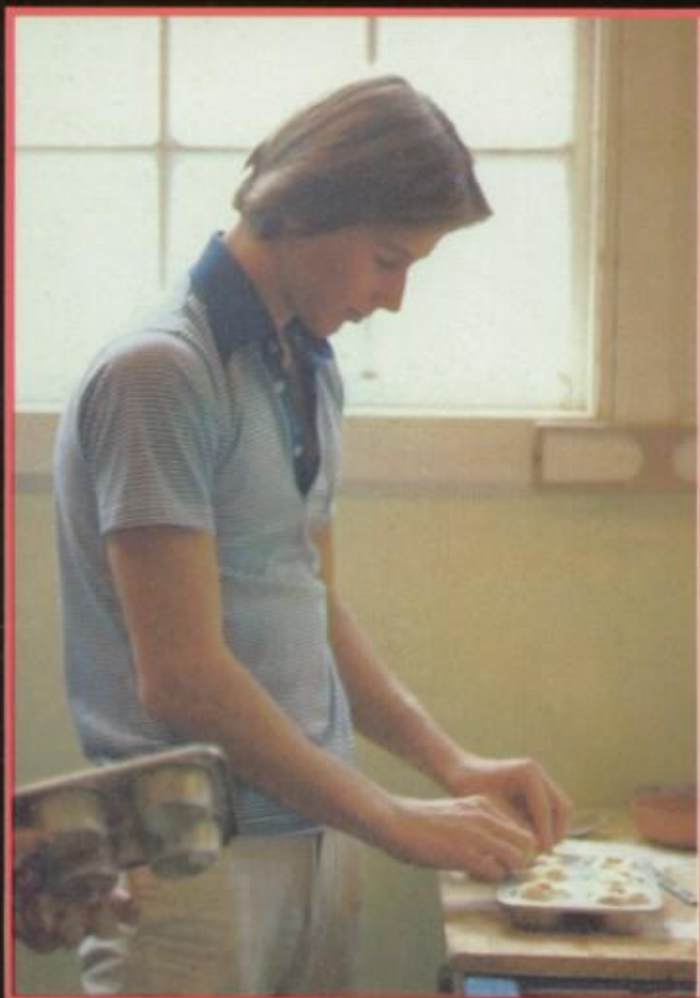

. . . to unite through spirit and determination, pulling our resources together as one; whether it be the glory of winning a rally or the sensation of scoring the winning touchdown. A time to take pride in our school, showing we are unique as Mighty Spartans.

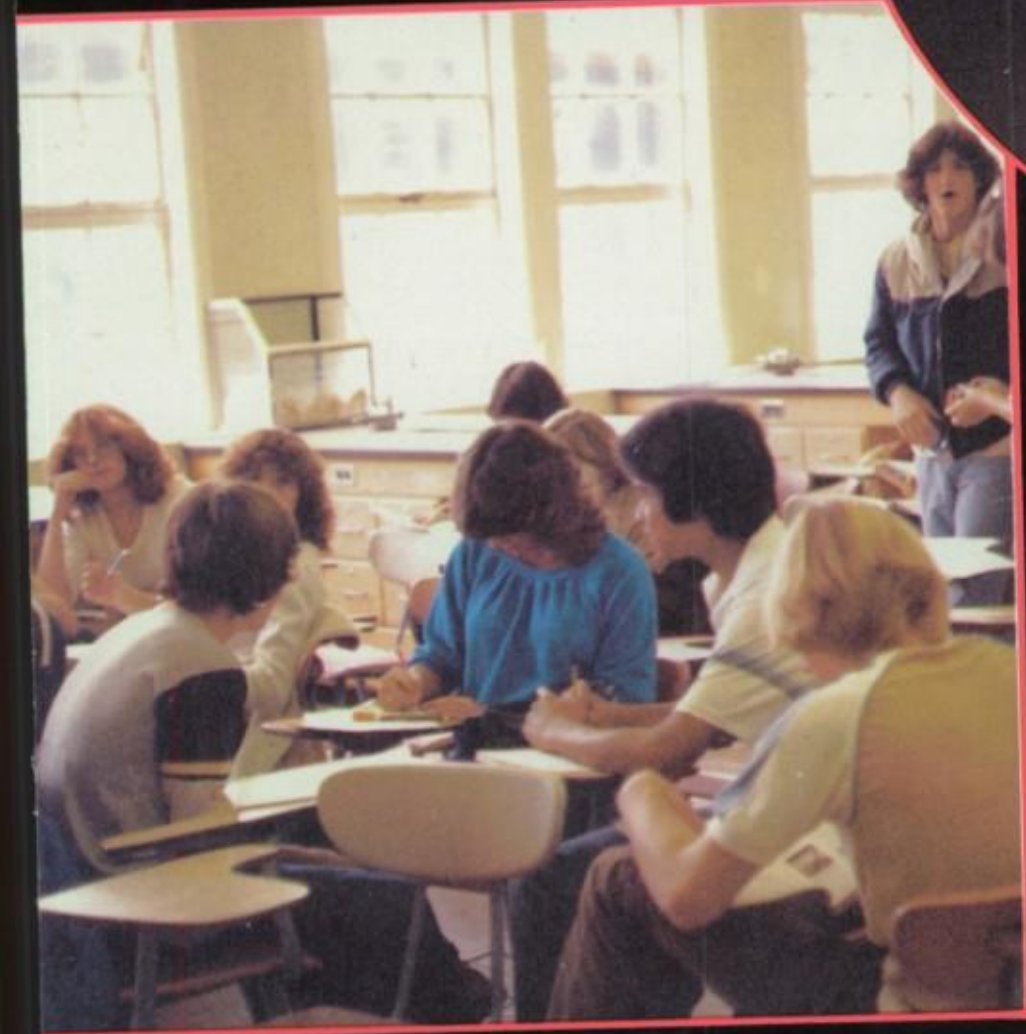

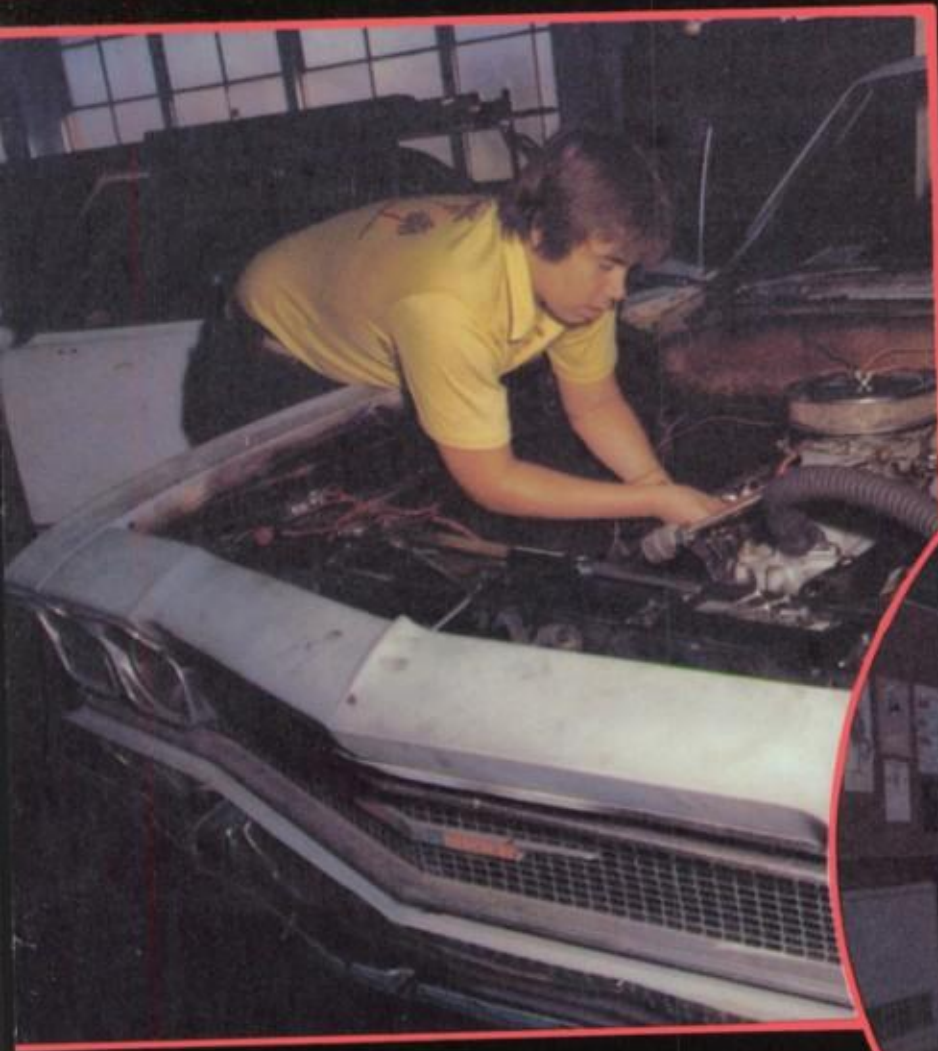

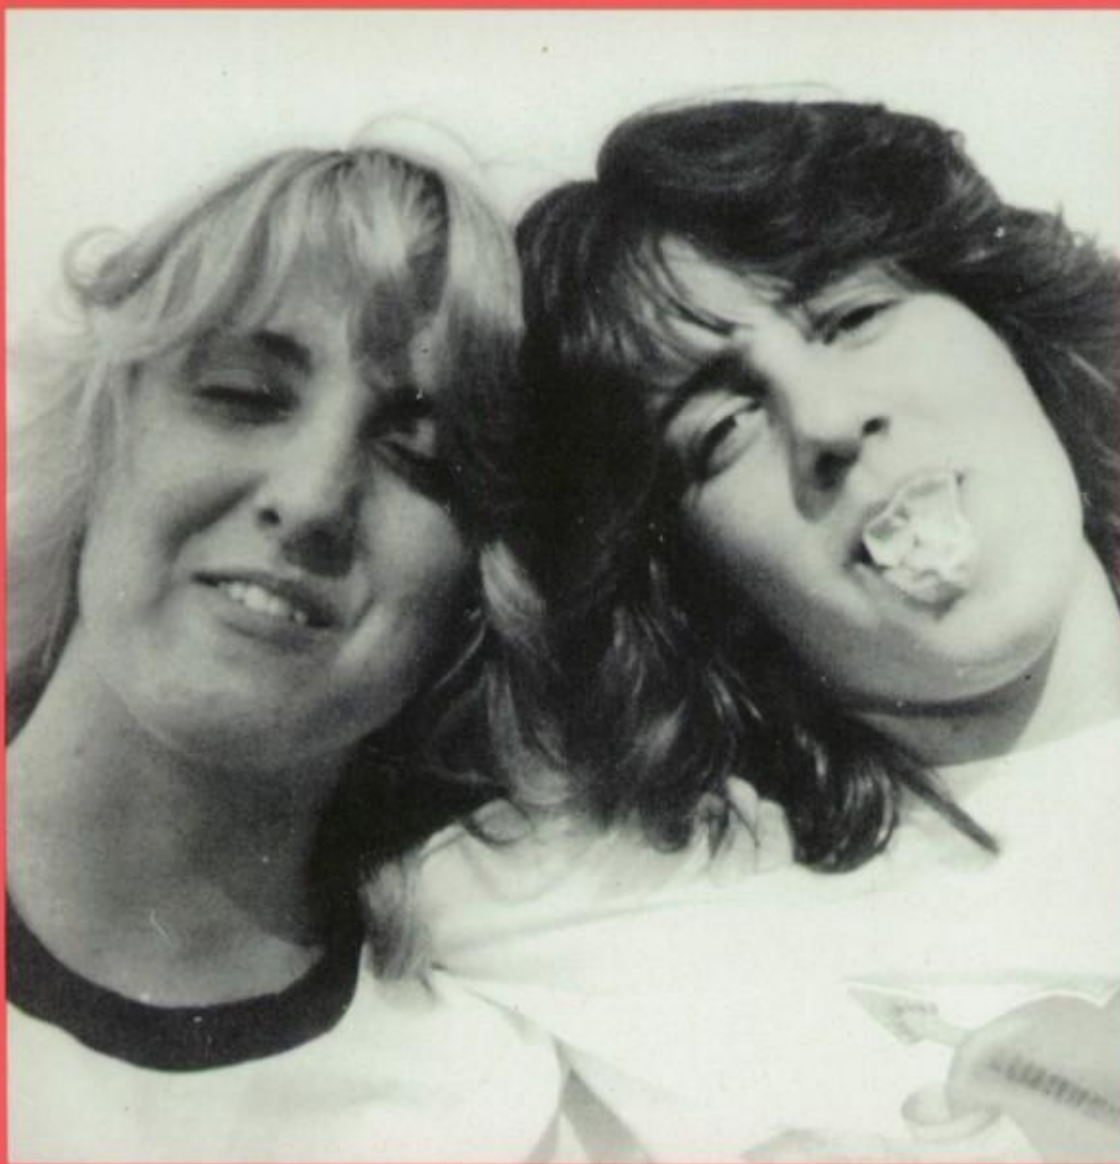

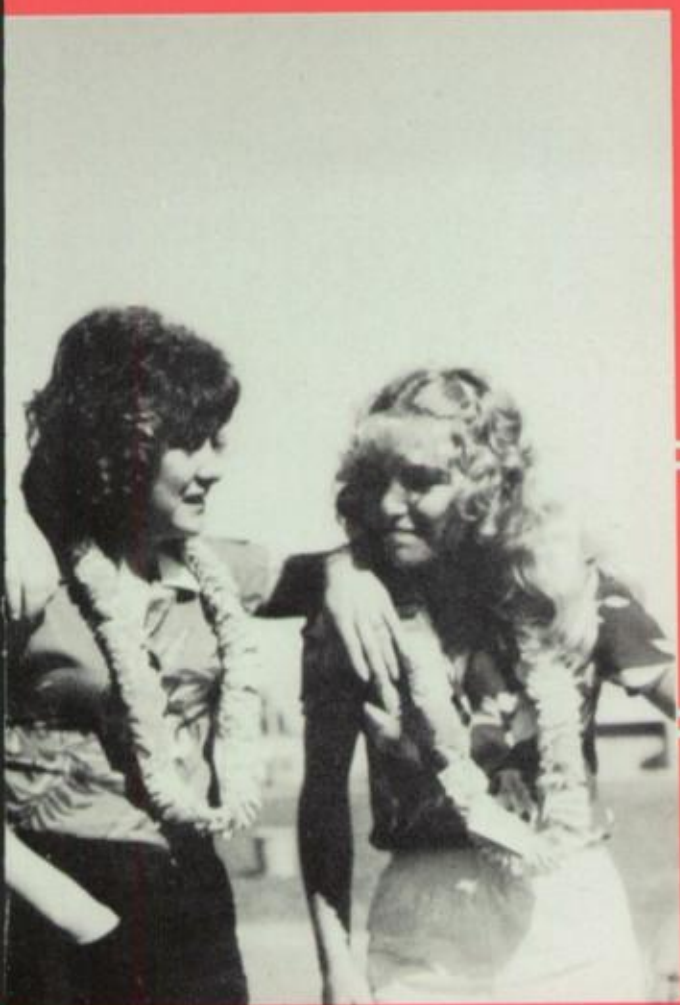

Now Is The Time . . .

. . . to reflect on our past and learn from our experiences, while striving to reach new horizons, discovering ourselves and our abilities. A time to put our talents to use in attaining our never-ending stream of goals . . .

STUDENT LIFE

Fun Filled Homecoming Week

The 1981 Homecoming week brought many activities to San Juan. The week began with the Hawaiian Dress Day where the Seniors picked up their first win. The Juniors came back with their first win in the Water Balloon Contest. On Tuesday the earthball contest went on in the girls' gym, where the Juniors got another win. Wednesday was a big day. Twins Day was won by the Sophomores, while the Senior guys took first in tug-o-war, the Sophomore girls pulled first place away from the Senior girls. The Ice Cream Eating Contest was another tally for the Juniors. Moving along to Thursday, people spent their money on Rent-a-Friend. Friday, bright and early, Hall Decorating began; Seniors took first. Juniors came back fighting with a first in Red and White Day. Now the moment of truth came — the big rally! It was a close battle, but the Seniors prevailed.

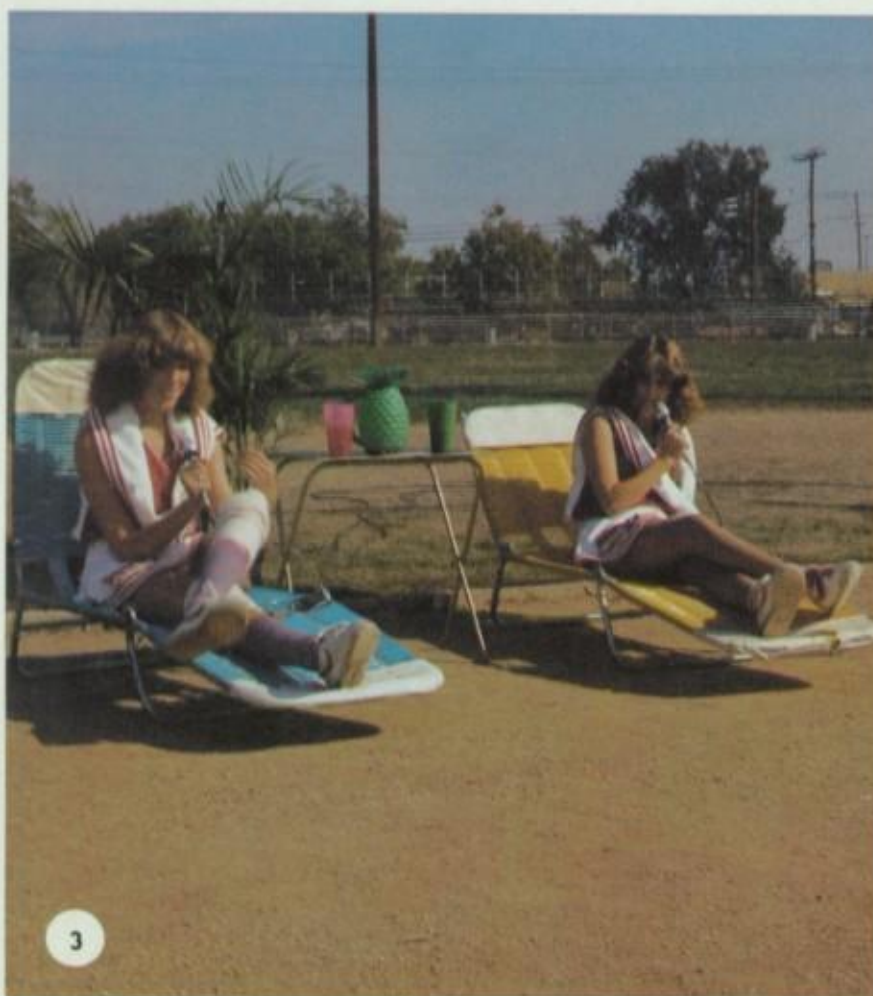

1. Seniors tug their way to victory. 2. Mike Hajek getting a surprise awakening. 3. Melinda Kampfraat and Donna Kolb are disguised as baseball players. 4. Contestants get ready for the big munch. 5. Freshmen and Sophomores battle at Earthball. 6. Lollie Davis sits in her homegrown bamboo.

Scots Buried at Rally

The 1981 Homecoming Rally began with a symbolic funeral procession for the Highlands Scots, setting the mood which was carried throughout the rally. Aiding the rally spirit was a Hawaiian Punch Skit done by the Mascots. The Cheerleaders and Songleaders kept the spirit moving with routines and cheers. The seniors yelled their way to a first place in the competition cheer. The rally wrapped up the Homecoming Week. Throughout the week spirit was shown by all the classes. This Spartan Spirit supported the team in the 1981 Homecoming Game.

Spartans Miss Upset in 4th Quarter

The Spartans played a tough game against the Highlands Scots in this year's Homecoming Game. Excellent defense was a key for the Spartans throughout the whole contest. San Juan started the ball rolling in the first quarter with a 60 yard touchdown pass from Geoff Shaw to Michael Morris. Second-ranked Highlands came back in the second quarter with a touchdown and 2 point

conversion.

The turning point of the game was when the Scots recovered an on-side kick and kicked a field goal, making it 11-7 going into half-time. Highlands kicked another field goal in the fourth quarter, making the final score 14-7. The Spartans' bid for tying the score fell short at the end of the fourth quarter with an incomplete pass.

ACTIVITIES

Advanced Biology Keeps Going Strong

Advanced Biology was named a club a few years ago so that the class could finance various activities. This year the group went to Wheatland to see a cow embryo transplant farm and to U. C. Davis to see a lab in progress and the medical library. They also went to Lodi to pick grapes with which they made wine.

With Mr. "Biology Bob" or "Uncle Bob" Neilsen as their teacher, the class sat through lectures and had to give up some of their free time. The general feeling among the group was great. It gave them a chance to escape from the sometimes tedious rigors of science.

The group elected Andrew Silber as President; Laura Vincent as Vice President; Louise Mitchell as Secretary; Lisa Reiman as Treasurer; and Katrina Huntly as Ombudsman.

1. Ed Riehle carefully does his experiment. 2. Juan Thomas studies a specimen. 3. Tracey Thomas gets some help from Mr. Neilsen. 4. Student Government Helps

Student Government gave students experience in governing and with working within a committee and working with people. Student Government was an elective class and met during fourth period with Mr. Reyes as the advisor. Student Government put on many activities at and out-of-school such as Homecoming week, The Powder Puff football game, and various fund raisers like selling Turkey Treats at Thanksgiving, and they made and sold spirit oriented buttons. Student Government also helped with the student budget and with the dances.

Student Council Keeps the Peace

Before there was a Student Council students had little voice in the way school was run or how the students moneys were spent. A few years ago Student Council was established. Student Council supervised and coordinated student body activities that were held on San Juan's campus. Student Council had the power to approve or reject ideas from boards or committees. Student Council was composed of five members from each class and met every Wednesday at lunch, under the advisorship of Mr. Reyes. The meetings were open to everyone.

1. Mr. Reyes states the facts. 2. Students are overjoyed by a new idea. 3. Student Council Top Row (L to R) Chris Ikemoto, Andy Silber, Tyronne Anub, Kim Breakey. Front Row (L to R) Marsha Ford, Brihan Browne, Mike Nylander, Frank Ennis (President), Mark McCormick, Louise Mitchell.

Pundits Proffer Philanthropy

California Scholastic Federation started out this year with an exciting fieldtrip to San Francisco, where members had the opportunity to visit Alcatraz. Members sold candy and continued with other fund-raisers throughout the year.

Aside from fund-raising efforts designed to fund two scholarships for outstanding C.S.F. members, C.S.F. also assisted San Juan by ushering at plays and at graduation exercises.

C.S.F. was open to all 10, 11, and 12 graders who had an academic grade average of 3.7, and who maintained a record of good citizenship and service to the school. Led by Mrs. Anderson, C.S.F. provided excellent educational and philanthropic opportunities for members, and achieved the members' goals of promoting student involvement in school and community activities.

Students Work Their Way to the Top

This year National Honor Society students labored to earn their graduation braids by participating in school and community activities for points. To be admitted to N.H.S., students had to have a 3.0 GPA and a good record of citizenship, and had to be willing to serve the school through various projects. Among this year's events were: ushering at graduation, selling candy, a combined field trip with C.S.F. to San Francisco, and an annual philanthropic activity designed to benefit the community.

N.H.S. provided its members with many ways to both serve their school and their community. Leadership played an important role during the busy year, and President Joe Hart and Advisors Ms. Haley and Mrs. Burns were always on hand to help.

The San Juan Spartan Marching Band contributed much to school spirit this year. Led by Mr. Mancho Gonzales, San Juan's concert and marching bands had a very active and successful year. They were involved in many parades and U.O.P. Band Day. They also supported the football team by playing and cheering the team on. Endless hours of intense practice resulted in an unsurpassed music department. Extra practice aided each band member in gaining extra skills to produce fantastic sounds. A new image contributed to an outstanding marching band.

Under the direction of Mr. Stephen Foster, they performed in winter and spring concerts, as well as in the Fine Arts Festival at Cal Expo. The madrigal singers, a select group who sang without accompaniment, added their unique musical sound to the programs.

1. Choir members were: Back Row (L to R) Connie Olivan, Kim Cabana, Kelly Chriss, Judy Carey, Cindy Stark, Erin Gall, Charmane Beagle. Boosters Return to San Juan

The San Juan Booster Club encouraged student and adult participation in the athletic activities at San Juan. The Boosters provided additional funds to the athletic facilities. Developing community support for San Juan High was another job the Booster Club did well.

In the beginning, the Booster Club had 150 members. Their goal was to have 200 members by the end of the year. Officers for 1981-82 Booster Club were: President, Richard LeBeau; Vice President, Bob Bolinger; Corresponding Secretary, Janet Slauson; Recording Secretary, Arlene McGee; and Treasurer, Patricia Conners.

Newspaper Undergoes Changes

Informing the campus of the latest news, sports and events was the goal of the San Juan Newspaper staff. This year the paper changed its title from The Spartan Spear to Spartan Highlights, it appeared more often, and it provided more coverage of this year's happenings. In addition to gaining a new masthead, it also gained a new editor — David Logsdon — and a new business manager — John Starr, while still hanging in there was sports editor — Ron Neal. With the support of their adviser, Mr. Terwilliger, the newspaper staff was able to put out an outstanding paper each month.

1. Reggie Rabon pastes up the November 6th issue. 2. Editor Dave Logsdon discusses a story with Co-Editor Tina Nielsen. 3. Mark McCormick writes his column. 4. Newspaper staff members are: Back Row (L to R) Mr. Terwilliger, Terry Barmby, Terri Hanson, Tina Nielsen, Craig Morphus, Debbie O'Campo, Jason Rippetoe, Front Row (L to R) Mark McCormick, Reggie Rabon, Dave Logsdon, Doug Van Dolah.

Mathletes Found Math Fun

For the Mathletes, a relatively new club at San Juan, math was more than homework; it was challenging competition. Monthly competitions gave Mathletes an opportunity to meet students from other schools socially and in friendly competition involving problems in arithmetic, Algebra I and II, geometry, and trigonometry. Each of the team members took three, ten-minute tests in three math areas, each test involving two problems, one easy and one difficult. The winning team was the one with the most correct answers.

San Juan's team was led by "veterans" Andy Silber, Kathy Yates, Sue Shantz, Michelle Paasch, and Tracey Thomas, and by Advisor John Phillips.

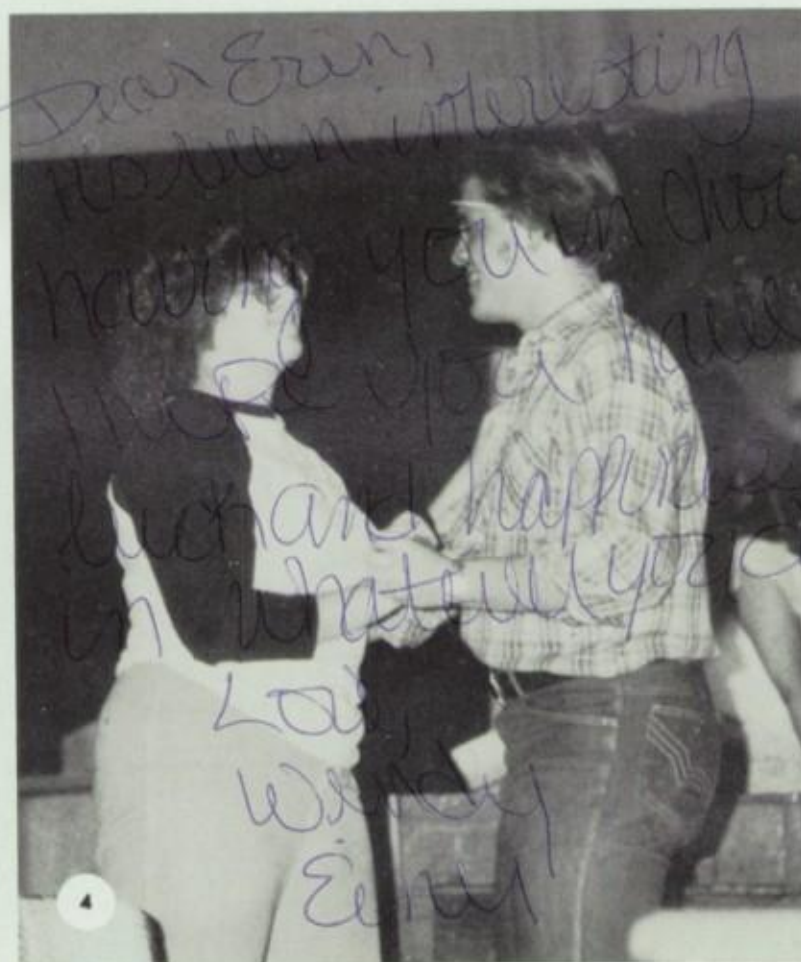

1. Tracey Thomas, Andy Silber, and Ted Slauson await the start of competition. 2. Joe Hart and Carol Kawashima pensively consider their problems. 3. Front Row: Ron Logan, Trey Nix, Ted Slauson, Joe Hart, Kathy Yates. 4. John Boisa pauses a moment to check his solution.

Drama Shoots for the Stars

San Juan's Drama Club worked particularly hard this year to raise funds, to present enjoyable plays, and to learn more about theatrical acting. On November 20th and 21st, after weeks of rehearsing, Drama members performed "Waiting in the Wings," a play by Noël Coward. Late in November, they went on a field trip to KCRA News Studios to witness the behind-the-scenes production of a television news broadcast. In the spring they entered the yearly San Juan Unified School district's Drama and Arts Festival, where members read poems and performed scenes.

San Juan Cadets Learn Leadership

The California Cadet Corps has been active at San Juan for the past 28 years. The program is totally student-organized and operated. The main objective of the Cadet Corps is to teach leadership through teamwork and responsibility. The Corps uses a military framework in order to obtain its goals.

Some of their co-curricular activities included a rifle team, color guards, ceremonial firing squads, school and community service projects.

1. Khaled Awad takes part off a promotion test on an Apple 2 computer. The computer is used for a variety of purposes to include personel functions. 2. Rifle Team Shot Well

One sport open to San Juan Cadets is shooting. Each year San Juan's Cadet Rifle Team shoots in the Tri-County Cadet Rifle League against El Camino, Grant and Placer High Schools. Sharp shooters Norm Magill and Chris Fleury returned from the 1980-81 Rifle Team. Other team members were: Mike Petty, Tom Holley, and Ray Petty. I.W.E.'s Help Teachers

Inside Work Experience students are provided the opportunity to earn credits toward graduation while helping teachers and staff. The tasks I.W.E.s performed provided them with valuable experiences which may carry over into their future vocations.

Devan Reeder corrects papers for Mr. Wharton. 3. Kim Lindsey records quiz grades 4. Tracy Harbert works on a silk screen for a teeshirt design in the Graphic Art Class.

W.E.E. Students Earn While They Learn

Work Experience Education is open to junior and senior students who have paid, part-time jobs. Mr. Burman Hull, the coordinator, calls on employers periodically for evaluations which help determine the students' grades in the W.E.E. class. Work Experience Education students may earn up to 10 credits per semester, depending on the number of hours worked each week.

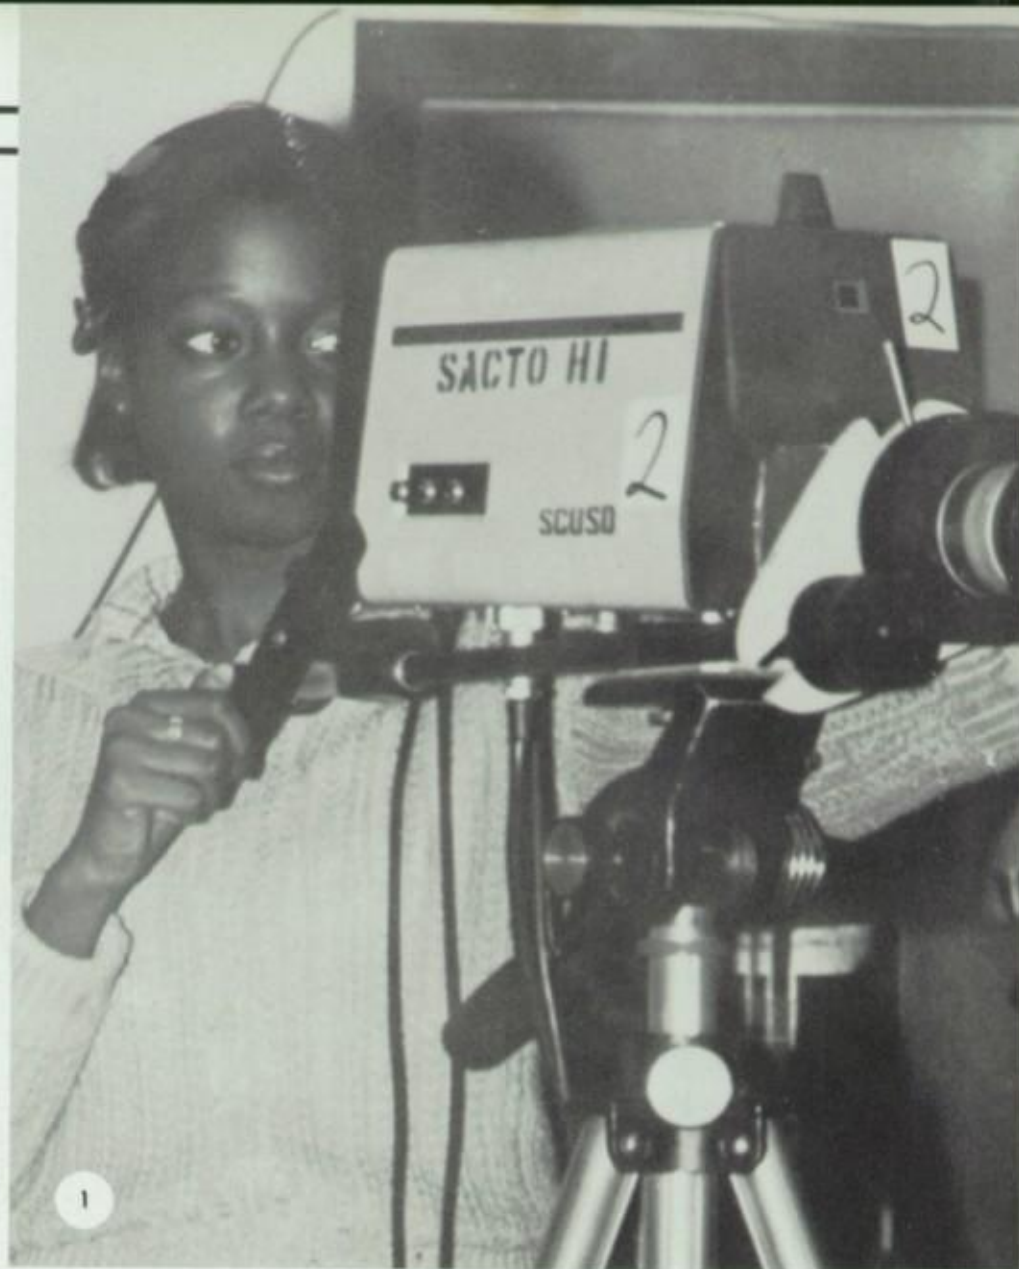

It is also a requirement of W.E.E. that students attend group seminars when they are scheduled to discuss things concerning the work world.

Classes are scheduled for 3 periods each day and are located throughout Sacramento County. Transportation is provided to most programs. On the job placement is an important facet of these programs. Over 85% of students who complete an R.O.P. program do secure employment in the area for which they have been trained. Mr. Burman Hull is the District Coordinator.

FHA-HERO Split

Splitting into two groups with a common cause of furthering Home Economics, Future Homemakers of America and Home Economics worked in both combined and separate activities. HERO, basically designed for vocational-oriented ROP students, worked with FHA on the Valentine cakes and on CRE events. This year FHA benefited both the school and their organization by selling Valentine cakes, Horror Grams, frozen chiquita bananas, by serving at both Open House and Back-to-School Night and by competing in statewide Competitive Recognition Events.

Aside from all of these activities, FHA also held biweekly meetings, led by president Katrina Huntley and advisor Mrs. Bruce. Their annual End-of-the-Year Banquet was enjoyed by all, and a scholarship was given to the Outstanding FHA Senior.

HERO held separate meetings conducted by President Brian Franks and Mrs. Edward. Both FHA and HERO were actively involved in various recreational functions throughout the year, and all benefited by the leadership and learning experiences.

Spanish Club Was Fantastic

This year's Spanish Club was described by the advisor, Ms. Willoughby, as "fantastic and intelligent." The Spanish Club kept busy this year with fund-raisers and activities. In February they sold carnations, and in March they sold their Balloon Bouquets. With the money they raised, they took ski trips and visited Spanish missions in Northern California.

French Club Kept Busy

The French Club came back for the second year in a row with two new advisors, Mrs. Devichi and Mrs. Curley. They also held their annual French Cafe for Open House, which was also to raise money. Rally Committee Tries Something New

This year's Rally Committee tried many new and exciting things. The Homecoming Rally was held in the stadium due to work being done in the boys' gym. The committee was a bit skeptical about this, due to the fact that it was tried unsuccessfully several years ago. The rally, with many surprises for everyone, was a complete success.

The committee had an executive board. Members were: David McDonald, Mark McCormick, Lisa Dwelly, Janice Tipton, Devan Reeder. The board members, along with Garon Curtis, advisor, and Carolyn Peterson, assistant advisor, made major decisions and suggestions that made our rallies great.

Mascots Enjoyed Entertaining

Filled with spirit and great support, the Mascots, Devan Reeder and Janice Tipton, made nineteen-eighty-two a fun and exciting year. They put a lot of time and effort into their skits and routines for rallies and games.

Both Mascots like gymnastics, football, French, dancing, rock music and cruising. When asked why they wanted to be Mascots they said, "It gives us an excuse to be weird." They enjoyed working with the cheerleaders and song leaders and meeting new people.

Freshmen Added a Kick

This year at San Juan there were six new cheerleaders added to the cheerleading squad. At cheerleading camp, they received two superior ribbons, one excellent ribbon, and a superior trophy. The Freshman Cheerleaders worked hard making up routines and practicing after school.

This is the first year that San Juan has had Freshman Cheerleaders. Head cheerleader Staci Walters said, "Having Freshman Cheerleaders helps promote the class of '85, and it gives the freshmen an extra boost." The Freshman Cheerleaders were seen performing at rallies and at games.

Not only have they added an extra kick to the spirit of San Juan, but they have greatly improved the enthusiasm that can be felt throughout the freshman class.

J.V. Cheerleaders Prove Superior

Working hard over the summer, the J.V. cheerleaders attended early morning practices in order to perfect their cheers. They put together a united effort with the Varsity cheerleaders, Mascots, and Songleaders.

They received 4 superior ribbons and a superior trophy when they attended the cheerleading camp in Santa Cruz.

They really produced spirit and enthusiasm and helped to make San Juan "Better than Ever."

1. Head Cheerleader Wendy Kniesel and Laurie Counts lead a cheer during halftime of J.V. football game. 2. J.V. Varsity Cheerleaders Were Better Than Ever

This year's five Varsity Cheerleaders were not only spirited and enthusiastic, they were better than ever. The cheerleaders won many superior awards at the summer camp they attended in Santa Cruz. Some of the superior ribbons they won were for a home cheer and various cheers and chants they learned there.

Head Cheerleader Lisa Dwelly kept the group in great form. Much thanks to our varsity cheerleaders for the hard work and practice they put into making themselves one of San Juan's best Varsity Cheerleading squads ever.

Hard Work Paid Off

Hardwork, long hours and plenty of practice really paid off for the 1982 Songleaders. Their enthusiasm and dedication shone through by winning a trophy for hardest working group at summer camp and by performing flawless routines at every rally.

This year the Songleaders tried a new twist, dressing up in costumes while performing to music. All 6 Songleaders, 5 of them seniors, have had previous experience on some sort of spirit squads throughout their years. Led by Head Songleader Janice Lee, the Songleaders managed to promote school spirit throughout the year.

Varsity Gave It Their All

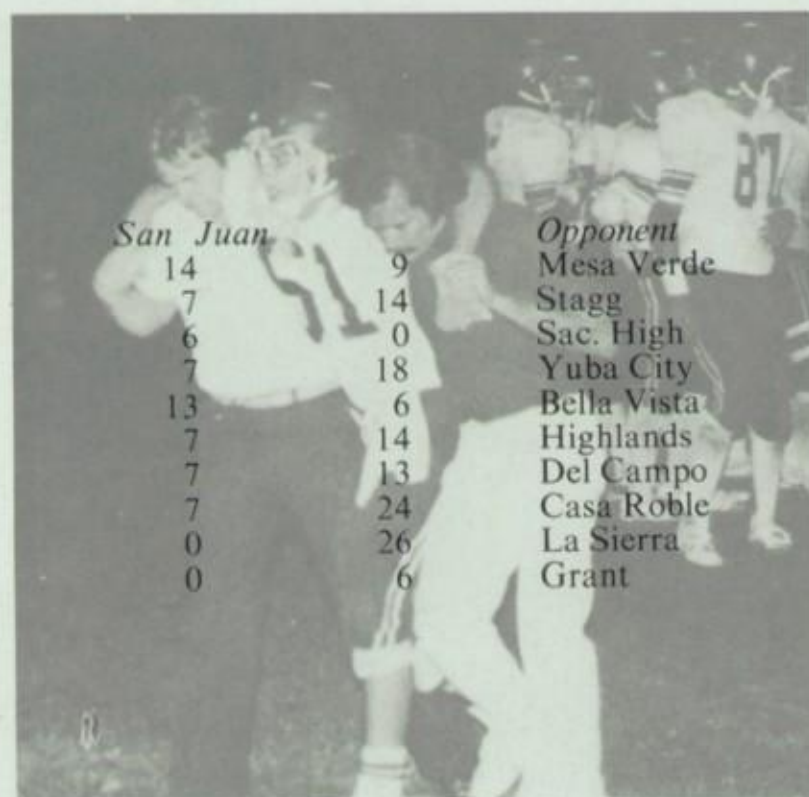

Varsity Football, as small as the team was, really stuck together throughout the season. With all the injuries that occurred to key players, they had lots of spirit. Coach Neil Anderson had lots of faith in "his boys." Practicing a lot, Varsity succeeded in being the best they could be.

Having to reach into 3rd string and to bring up players from the Junior Varsity team, the Varsity Football team had 5 Capital Athletic League All-League players: Mike Morris, Danny Petersen, Mike Reynolds, Greg Reese, and Art Quinton.

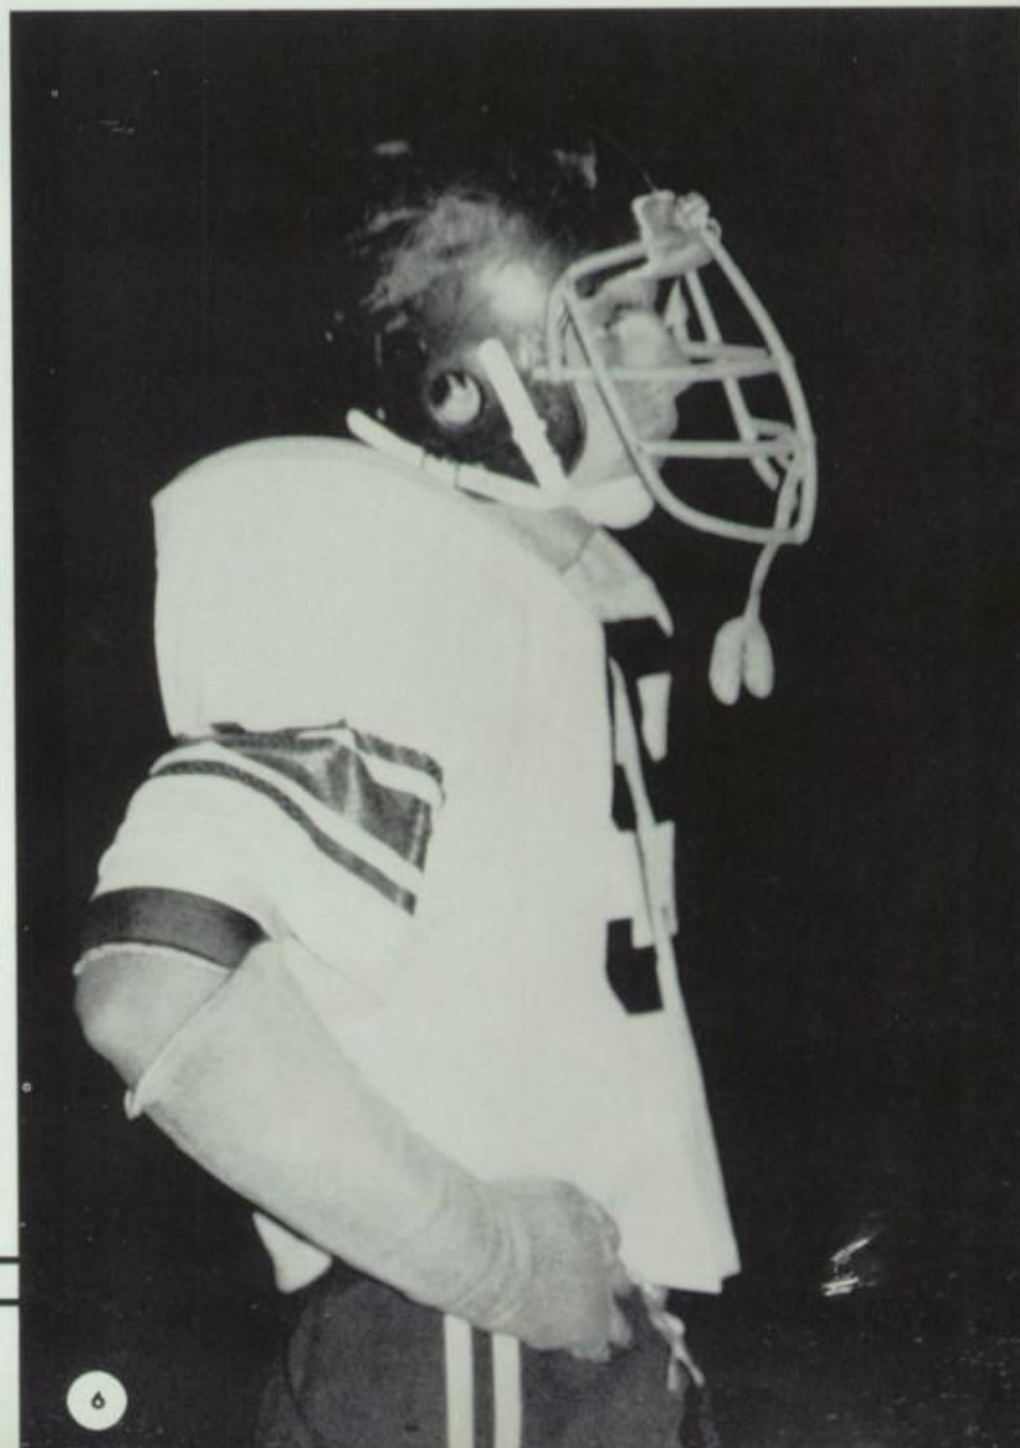

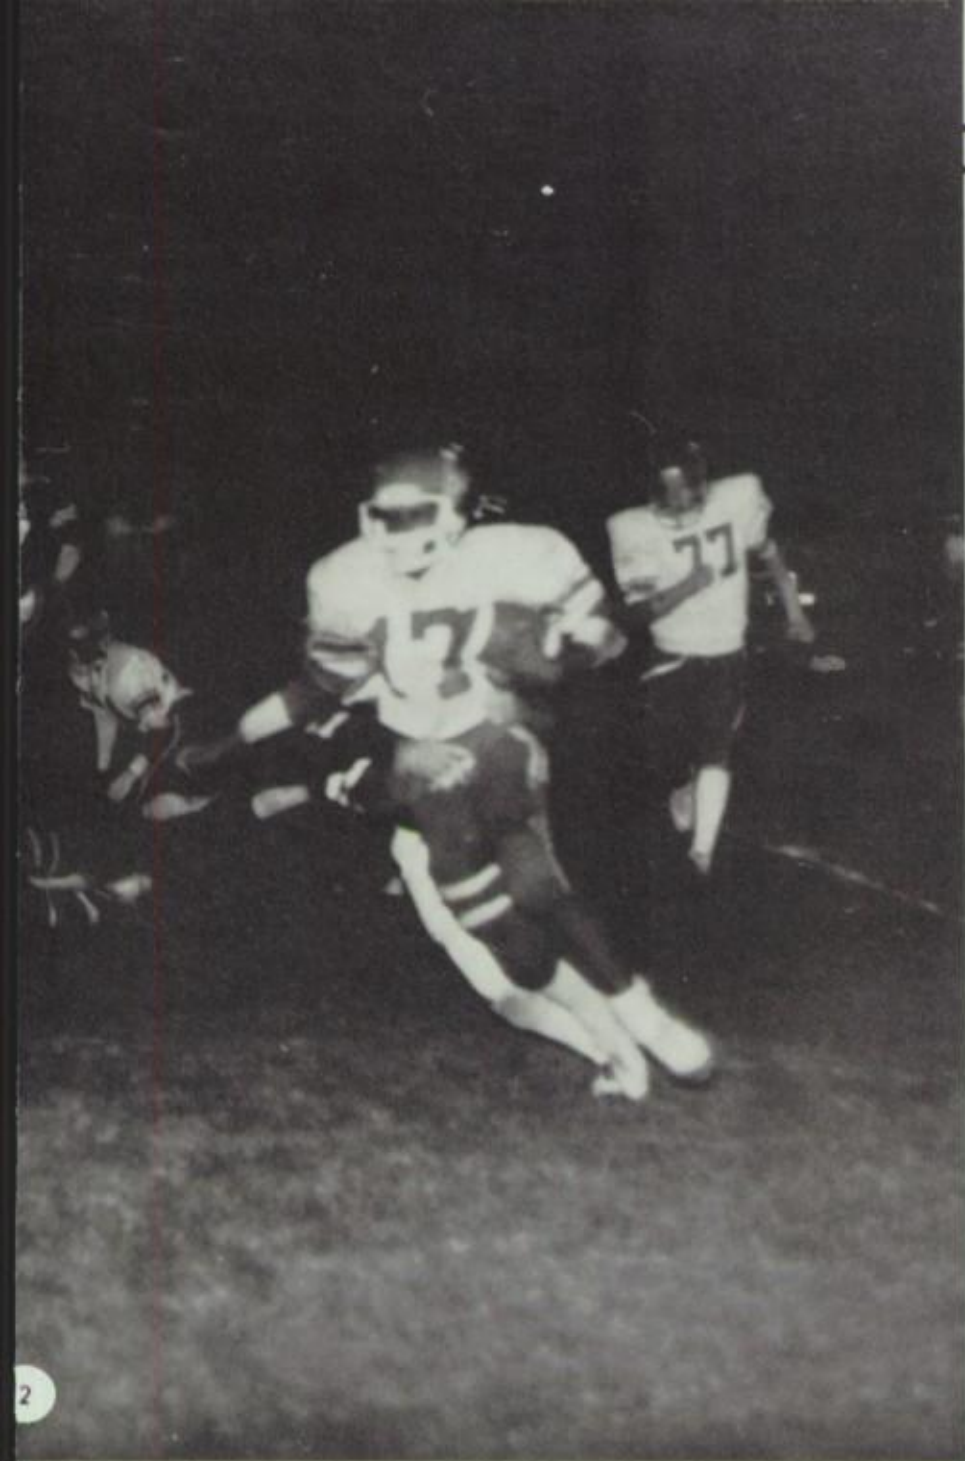

1. Head coach, Neil Anderson. Team captains: 2. Danny Petersen, 3. Mike "Hacksaw" Reynolds, 4. Matt Titen-sor, 5. Kenny Moore, one of Varsity Football's starting running backs and a team captain, was injured at the Yuba City game. He tore ligaments in his left knee. Having to have surgery and having to wear a leg-long cast for several months, he was out for the season. 6. J.V.'s Had a Dismal Season

With a record of 1-8-1, the J.V. Football team had a very dismal season. According to Coach Reyes, the J.V.'s losing season was due in part to a losing attitude taken on by some of the players after losing two games in a row, early in the season and also to a lack of participants. However, the main reason was the loss of a number of key players. Two star players, tailback Steve Smith and quarterback Geoff Shaw, were both moved up to Varsity. The team was also decimated by injuries to right tackle Rick Simmons and linebacker Todd Harris; a hand injury put Paul Mintmier out for a couple of games.

The bright spots on the team were two freshmen — Jeff Thompson, who played tightend, right guard and defensive end, and Dale Smith, who played tightend, wide receiver and tailback. Dale gained the most yards and led the team in intercepts as a strong safety. Paul Mintmier, who led the team in tackles, was voted M.V.P.

Freshmen Enjoy Success

The Freshman Football team placed third in the Capital Athletic League this year, one of the most promising groups of Freshmen that San Juan has seen in a number of years. Coaches this year were Mr. Clay and Mr. Dibben. The team worked hard both offensively and defensively. Voted most valuable player was Eric Montross. Other outstanding players were: Brad Ehrman, Mark Whittington, Jeff Merenda, Brian Burek, Matt Gruver and Bob Pfau.

Determination Paid Off

The J.V. and Varsity Powderpuff team's hard work and determination paid off this year in an outstanding game against the Mesa Verde Mavericks. Despite the pouring rain and muddy fields their spirits remained undampened, and they were undefeated in both games.

The J.V. game started out with Mesa scoring the first touchdown, but the Mighty Spartans fought back with Maureen Lonergan and Sammy Ramsey both scoring touchdowns, leaving the Spartans victorious 12 to 8.

In the Varsity game Tracy Harbert and Kim Merritt scored touchdowns and the Spartans defensively left the Mavericks scoreless, 14-0. Outstanding defensive players were: defensive end Keri Sherwin and cornerback Christina Whitlock.

The senior coaches were: Ron Neal, Dwight Davis and Danny Peterson. Junior coaches were Artie Quinton, Craig Alejo, Bob Cloke, Brett and Erik Woody.

The Season Frustrated Varsity Soccer Players

The Varsity Soccer team had potential, but it didn't have the depth to play the way the players wanted to. The team had good timing and played well off and on throughout the season. During the second half of the season the team started to play well defensively. Coach Terwillger said the season was not a bad season but a frustrating one.

Four players received post-season honors, Rick Celli was chosen as a first team Capital Athletic League halfback and was voted Most Valuable Offensive player by his teammates. Doug Doyle was voted Most Valuable Defensive player by his teammates. Additionally, Doug joined teammates Mike Powell and Mike Kosinski on CAL Honorable mention team. Mike Powell and Mike Kosinski were San Juan's captains throughout the 1981 season.

Skills and Teamwork Improved

Even though the Junior Varsity soccer team faced defeat in all but one of its games, Coach Woodard felt the season was a success from the standpoint that the players improved in their skills and teamwork. "Improvement was our greatest asset — from individuals to a working team that supported each other as well as played soccer." Teamwork excelled as the Spartans played a game strategy requiring the entire team to become an offensive unit when San Juan possessed the ball and after losing it, working as a whole defensive unit, not being dependent on only certain individuals.

A serious problem arose with many injuries to the starting Spartans, who had only a limited number of substitutes. Coach Woodard set a goal to make sure everybody on the team played as much as possible. After the season ended, Coach Woodard stated, "We accomplished that goal and more when I consider the extra playing time because of injured players."

Varsity Undergoes Changes

1981-82 was a transition year for the Boys' Varsity Basketball team. A new head coach, John Pastor, and a new assistant coach, Bill Wilson, replaced former coach Don Trent and made changes in the team's style of play and general attitude.

While the team's 1981-82 record was not as good as it might have been, Coach Pastor expects major improvements in the next few years as returning players learn his system and adapt to his philosophy of basketball.

Outstanding players for the Spartans were Senior Captains Juan Thomas and John LeBeau, junior forward John Hawthorne, and sophomore guard Ramsey Lewis.

J.V. Enjoyed Its Season

This year's J.V. Basketball Team was a good model for the upcoming freshmen. Led by Keith Caldwell, Joey Eastman, Lonnie McGee, Eric Stephens, and Chris Thomas, the Spartan Sophomores finished with an overall record of 18-10. Early in the season the Spartans placed 3rd in the El Camino Tournament, losing by one point to undefeated El Camino in the Semi-Finals. The Spartans came back the following week to defeat the Eagles in another pre-season contest. Joey Eastman led the team in scoring, and Keith Caldwell led the team in rebounds. Overall the young Spartans, with the guidance of Coach Randy Rasmussen, enjoyed many fine games throughout the season.

Freshmen Had a Tough Season

San Juan's Freshman Basketball team had a difficult season this year. Coach Dave Patterson left the team in the middle of the season, when his employer transferred him. He was replaced by Mr. Dibben. Coach Dibben said that the main problem for the team was that the players were not tall enough to compete successfully.

Eric Montross was a high scorer, and Brian Williams was the floor leader. Despite all the difficulties, the team worked very hard and showed improvement.

1. Eric Montross goes for a lay-up. 2. Rick Sadowski makes a steal. 3. Brian Williams takes a shot. 4. Girls' Varsity Reaches T.O.C.

For the first time in San Juan's history, the Girls' Varsity Basketball team made it to the Tournament of Champions. This had been the team's ultimate goal, and they achieved it through discipline, determination, *and* hard work. Coach Gatewood gave many reasons why he thought this year's team made it to the T.O.C.: "They had a real stay-with-it attitude, and nothing was going to get in their way. All the players helped develop and coach one another. They worked together as a cohesive unit with one goal in mind."

Obviously this team spirit made a difference. Although they went no further than the first round of T.O.C., losing to Lodi 50-47 in a hard-fought game, it was quite an accomplishment for the team to get that far. Our league is the toughest in Northern California, and out of more than 100 teams eligible for the annual T.O.C., only 16 teams make it to the Tournament.

According to Coach Gatewood, now that the girls have tasted victory, there's nothing that will stop them next year. "They were Great!"

Big Red Meets Success

Success became a word familiar to the Girls' J.V. basketball players. The team ended its season with an overall record of 21 wins and 5 losses, and a league record of 12 wins and 2 losses, including spectacular victories in the annual Spartan Classic. Coach Berhel felt the season was incredible and totally fantastic. J.V.'s "Awesome 21" never quit and always possessed an aggressive desire to win. It was a year of twenty-one players on a team playing consistently on and off the court. Positive attitudes, patience, desire, and good listening skills contributed greatly to the outcome of the season.

The highlight of the season occurred when captain Alice Crandall sank two free throws with six seconds remaining to defeat Casa Roble 50 to 49 in a game nicknamed "Thrilla in Manilla". In league play, the Spartans tied with Casa for first place. Aside from Alice Crandall, outstanding players were Sue Nelson, Kim Helsel, Lisa Doss, and Heather Matson.

Varsity Volleyball Was Awesome

For the first time in its history San Juan High School Varsity Volleyball team has beaten Bella Vista. What a victory it was! This year San Juan has had a very accomplishing season. We are proud to say that this year's team was the best we have ever had. With great talent and practice San Juan High Achieved their goal with hard work. Even though the team did not clinch a league title, the players gained valuable knowledge for seasons to come.

J.V. Volleyball Had Fun

Fun, competitive games highlighted the Junior Varsity Volleyball season. An overall record of five wins and fourteen losses did not reflect the actual challenge the Spartans placed on their opponents. Improvement was evident in the performances of the girls by the end of the season. Even though they were defeated in their later games, San Juan's players forced the opposing teams to play three full games in contests decided by the best two out of three.

Coach Love said that not sticking together until the end proved to be the weak point of the season. She commented on the enjoyment experienced by those players who stuck it out, as they were led by team members Susan Nelson, Susan Bolander, and Donna Murrill.

A Tough Sport

San Juan's gymnastic team met after school to work out routines. Many hours of practice went into perfecting their routines. But with the girls' cooperation, and patience, they made an excellent team. Spring competitions included such events as uneven parallel bars, balance beam, vault, trampoline, and of course, the mats. Special thanks to Mrs. Love for coaching a top team, and they did an exceptional job.

Players Smashed Birdies

The 1981-82 Badminton Team underwent a major change this year — it was split into separate teams for guys and girls. This led to a more personal, individual development, while causing a more competitive feeling.

Badminton is usually regarded as a recreational sport, and less of a high keyed, competitive one. For this reason, the players form a closer bond of friendship with one another, without having to constantly compete with one another for status. Students who try badminton find that it is a very enjoyable sport, and it is easy to become quite proficient at it. It is also excellent exercise without an exceptionally hard work-out.

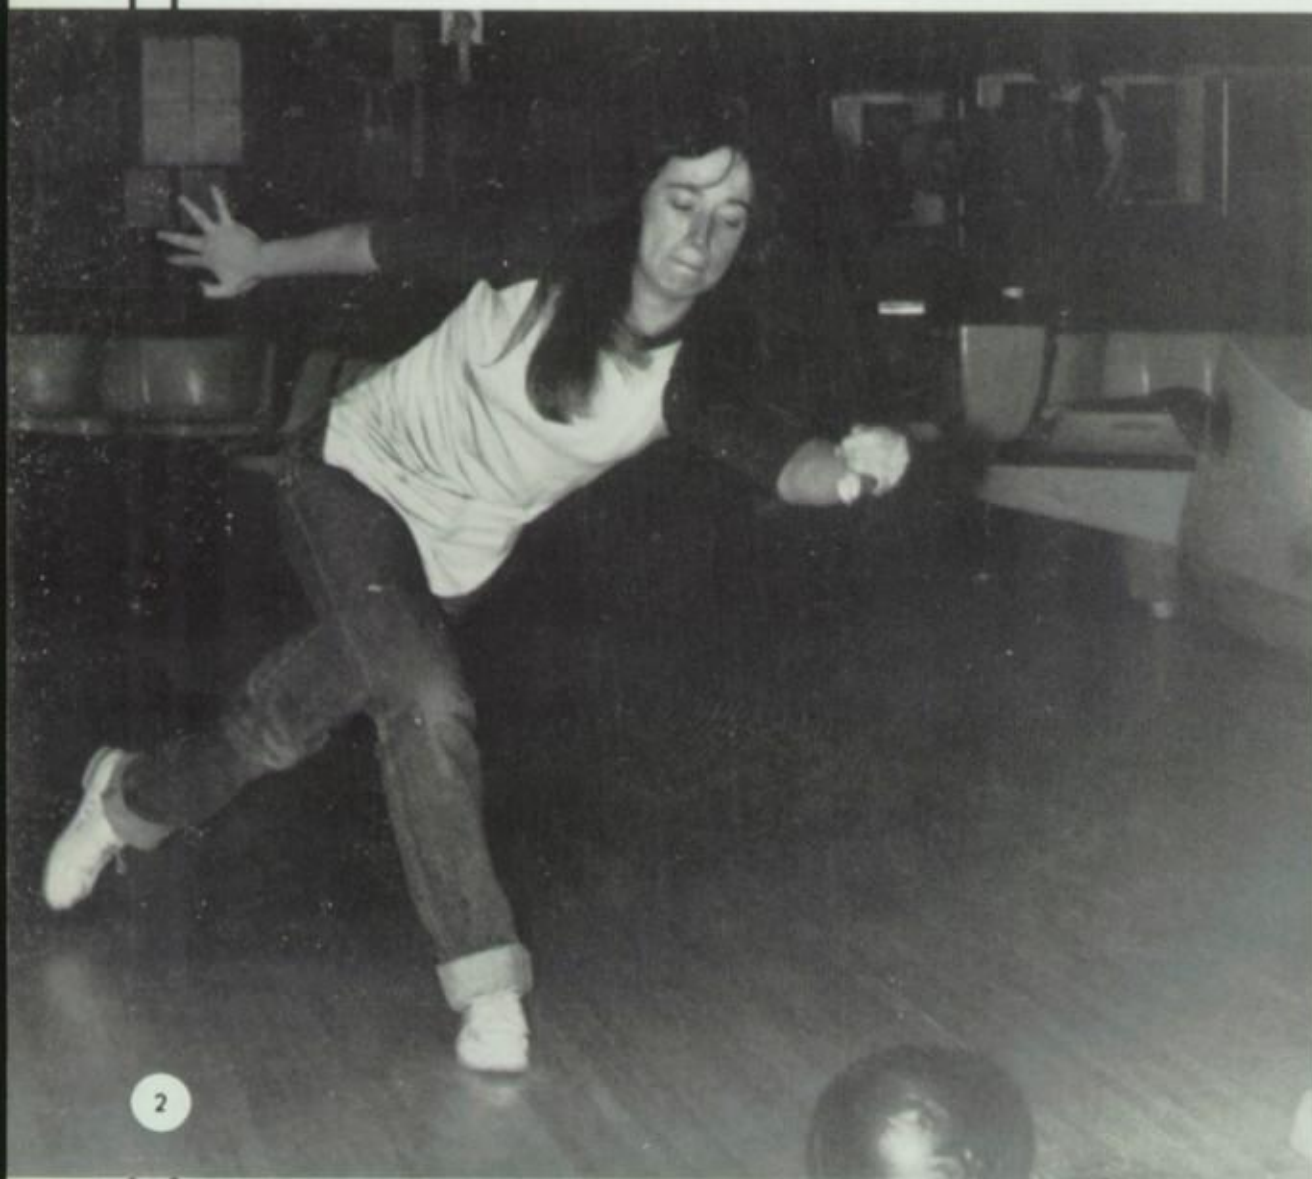

Coach DeGooyer was very pleased with this year's team, and remarked that the Girls' team did quite well, placing high in the rankings, while the Boys' team gave the competition "a good run for its money." Kim Reed and Julie Saathoff combined to form the #1 doubles team, while Carol Kawashima held #1 women's singles rank. David Etchison and Brian Horton were the leaders of the Boys' team, and a good time was had by all.

Bowlers Finish 30-30

Intrigued by the sport of bowling, San Juan bowlers worked together, under the coaching of Tim Stites. The bowling team finished the season with a 30-30 record, 4th place in the league. Mike Nylander carried an average score of 192 in league play; Tammy Schmidt carried a 157; Tom Schroeder carried a 170; and Susan Lemmon carried a 150. Mike Nylander, captain, and Tammy Schmidt, co-captain, proved their talents and were selected All-League team members by Capital Athletic League.

Golf Swings for the Future

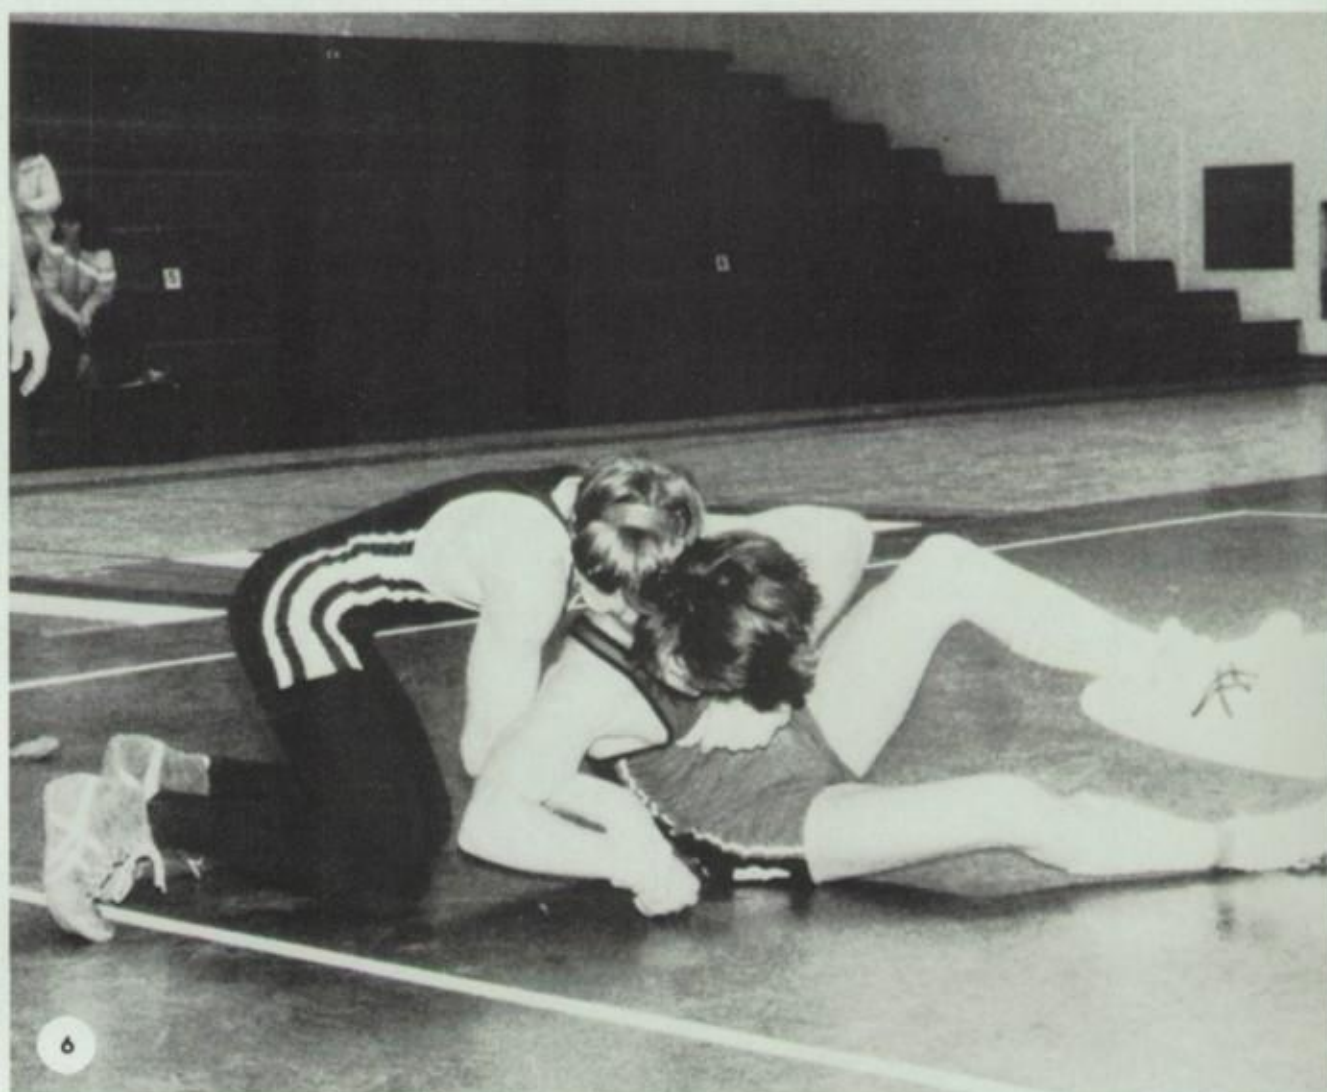

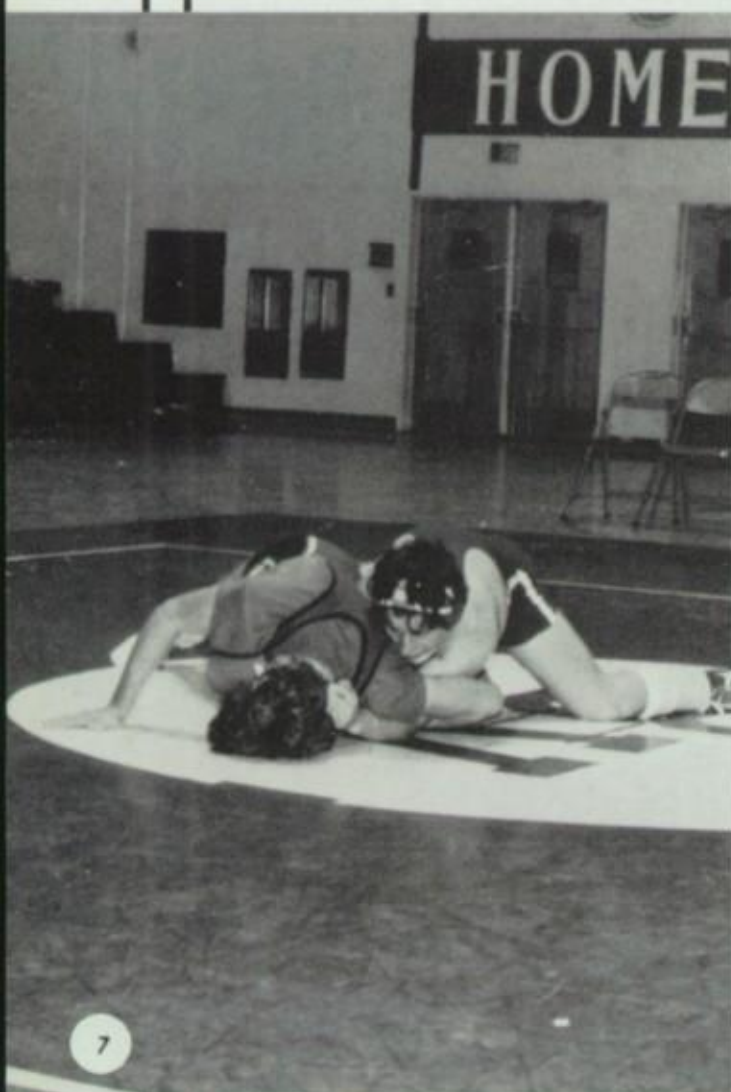

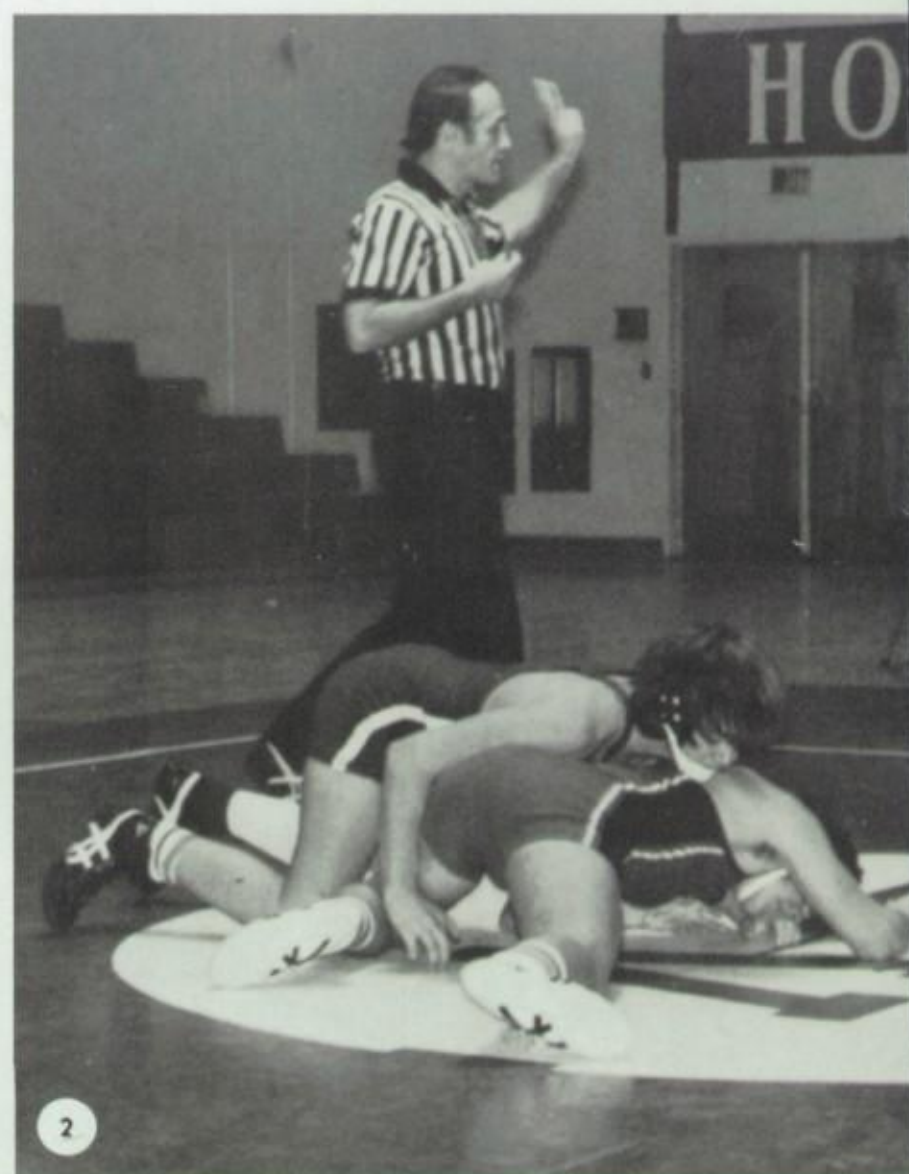

The 1982 Golf Team was a building team. With only one returning letterman — junior John Pierce — Coach Allen's linksters were young and unproven. Despite their lack of playing time, the Golf Team members played each match with true Spartan spirit.

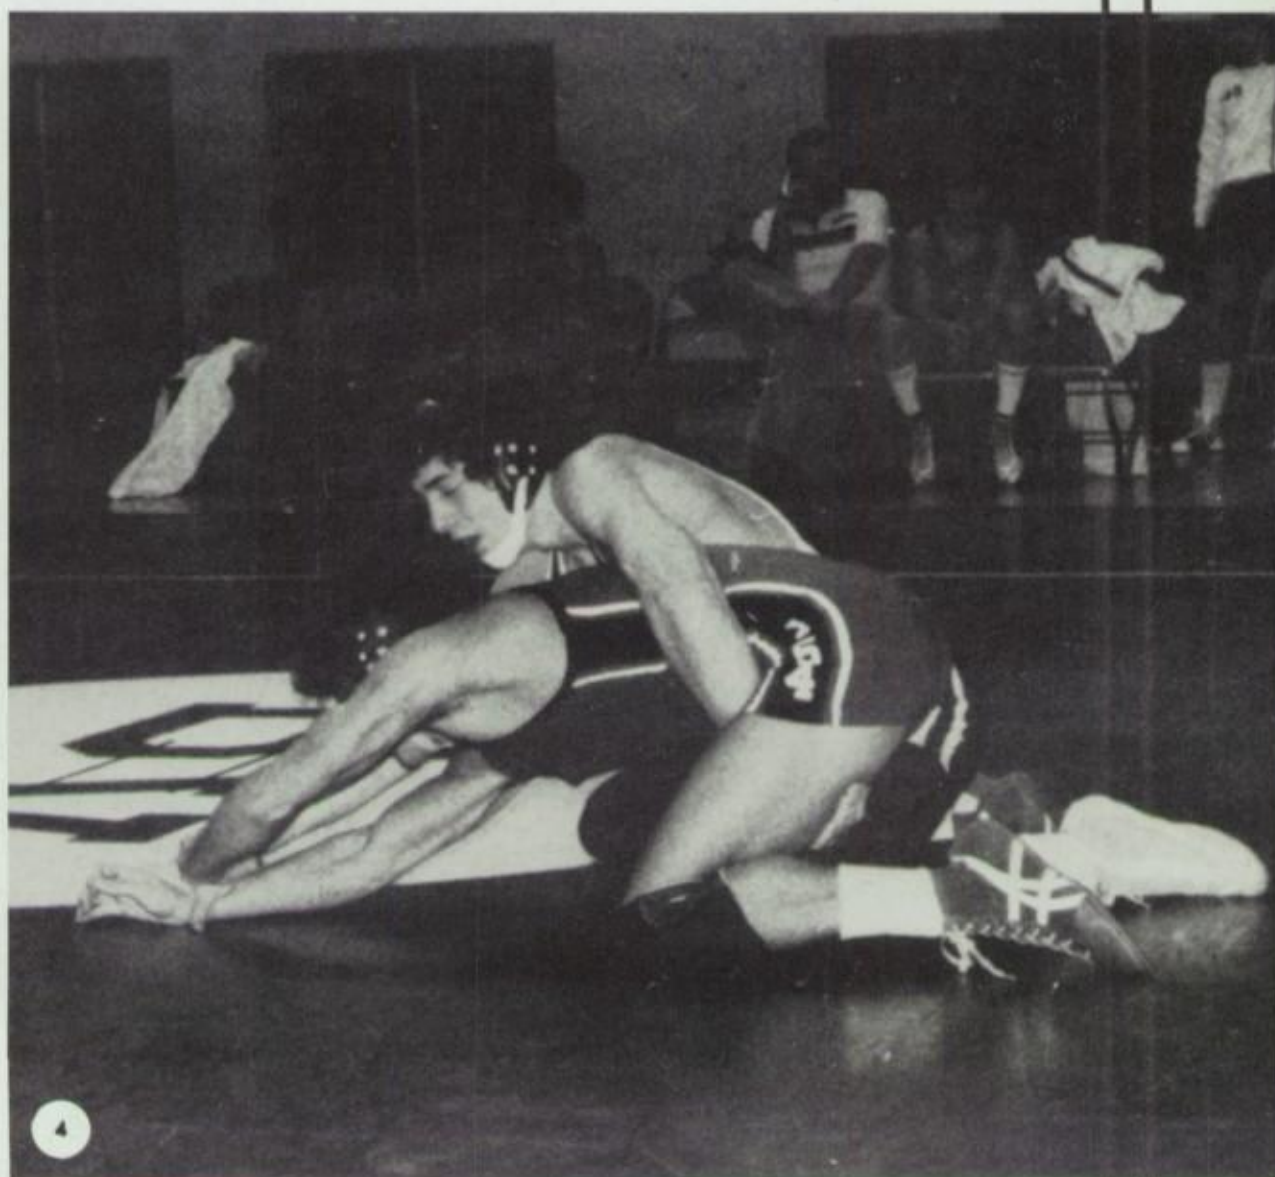

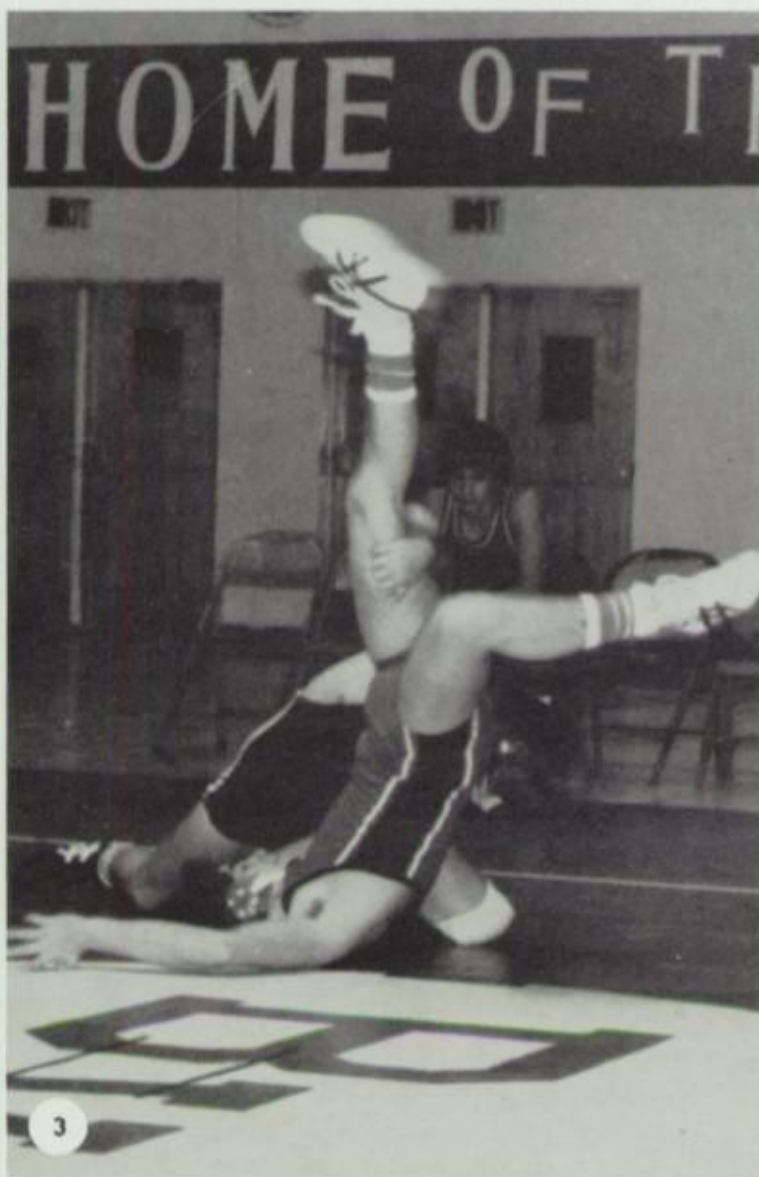

Team leaders for 1982 were John Pierce and Scott Stoneking, both juniors, who showed real promise for the 1983 season. The remainder of the team, all sophomores and freshmen, gained valuable knowledge and experience while enjoying their association with Coach Allen.

Spartans Show Promise

The Wrestling season began with an abundance of promise due to the large number of freshmen (20) that turned out for Wrestling. Unfortunately, all but nine quit. There were not enough wrestlers for a junior varsity team, and Coach Crowl could not complete a full varsity team. However, the future does look a little bit brighter because of the number of freshmen who remained with the team; if they stay with wrestling, by the time they are juniors or seniors, the Wrestling program should be much improved.

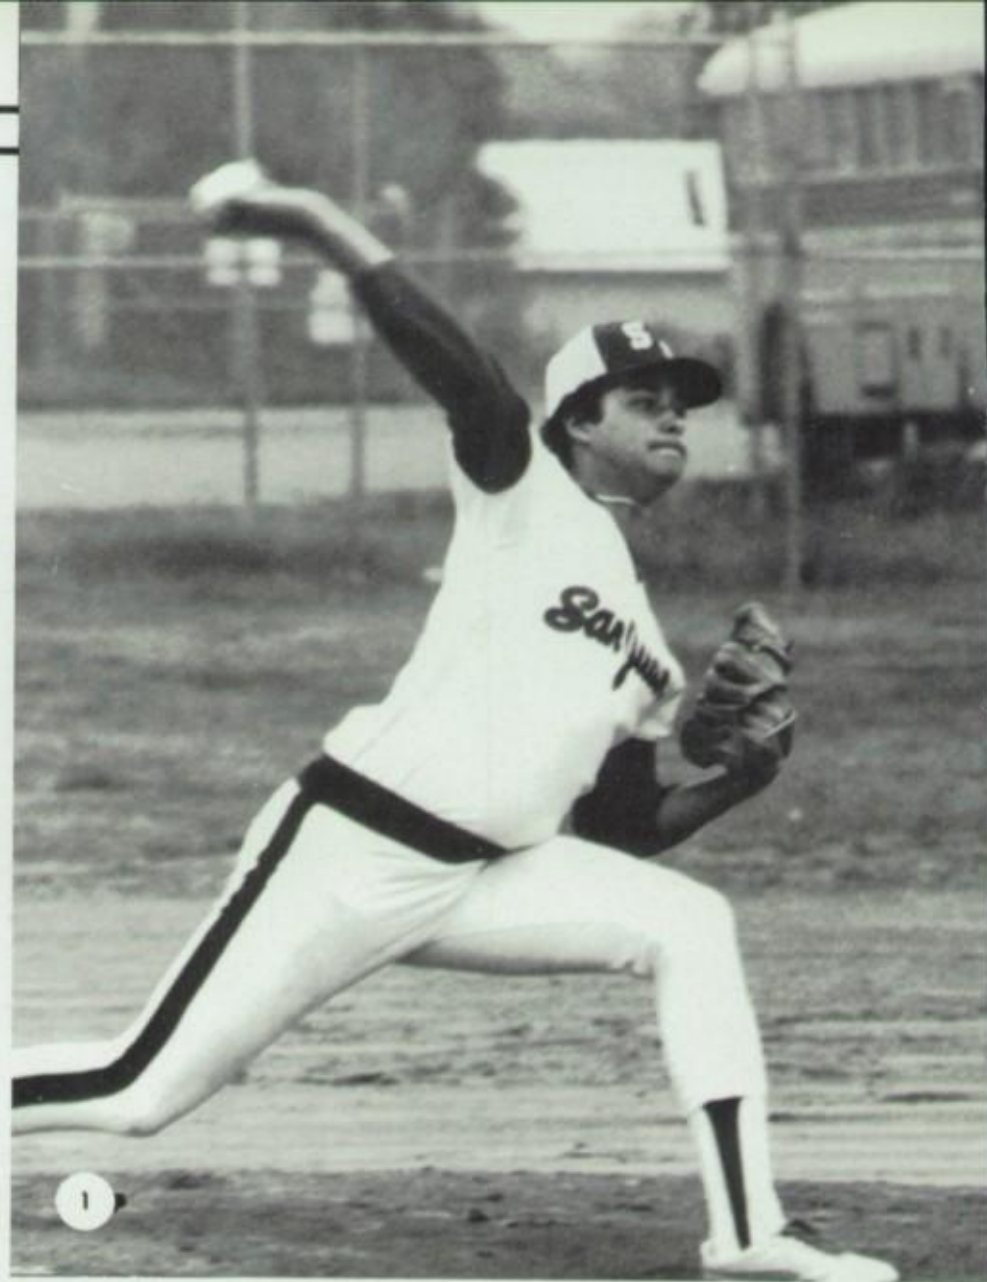

Coach Crowl regretted the lack of interest in the program. He felt there were many good wrestlers at San Juan who didn't take the time to go out for the sport. As a result, the team's record was a dismal 1 win and 8 losses. An outstanding athlete who did go out for wrestling was Mike Morris.

Varsity Baseball Got Wet

Varsity Baseball got off to a fast start. Having won the "Old C.V.C. Tournament" and several preseason games, the team obviously was headed for success. But then the rains came, cancelling a number of the team's final preseason games and postponing key C.A.L. games.

Several senior players keyed the Spartans' success. Pitcher Mike Hajek was named player-of-the-week by both local newspapers early in the season and continued his pitching and hitting heroics through the season. Catcher John LeBeau and centerfielder Bill Alexander also led the team with their play.

Through the rainouts the team remained enthusiastic, and their season reflected their true Spartan spirit.

J.V.'s Start Strong

This year's J.V. Baseball team slowly progressed into a dominant C.A.L. League contender. In pre-season play the young Spartans were 2-3, but they shaped up and opened league play by defeating such opposition as La Sierra 21-3 in 5 innings, Highlands 7-5 in 8 innings, and Bella Vista 6-1.

The Spartans were led by such sophomores as shortstop Lonnie McGee, 3rd baseman Joe Sandbank, catcher Doug Grey, pitcher-out-fielder Keith Ellis and ace pitcher-catcher Jon Miller. Coach Bill Richardson, a former San Juan ballplayer, stated, "The young men are rapidly improving, and I'm expecting big things in their future as Varsity members."

"It Was the Best"

"It was the best of the three freshman teams I've coached." That's what Coach Terwilliger said about the 1982 Freshman Baseball team. Showing strong teamwork, the Frosh had good pitching, great fielding, and productive hitting.

In spite of getting off to a slow start because of rain, the '82 Freshman Baseball team had a great season. Led by players like Eric Montross, number one pitcher; Jeff Merenda, left fielder; and Dave Hajek and Jim Foly, vacuum cleaners at second base, the team played well all season long.

Mr. Terwilliger's assessment of his team's future was: "If these kids keep playing baseball for San Juan, our baseball teams will be strong for the next few years."

Varsity Showed Enthusiasm

Although members were few, this years Boy's Varsity Track Team expressed unity and enthusiasm. Despite heavy rains early in the season, hard work and practice were emphasized each day as distance runners, sprinters, high jumpers and pole vaulters strove towards perfection. Returning runners were Scott McKee, Mike Morris, Ramsey Lewis and Brihan Browne, one of the league's fastest sprinters. New and promising additions to the team were Scott Chock, John Hawthorne and Bob Cloke. Inspired by Coaches Warren Dibben, Rick Neal, Dave Hamer and Neil Anderson, the team had a competitive but successful season.

J.V.'s Succeeded Through Cooperation

Everyone did his share to see that the team performed well at the meets. One point stressed during the year was team unity. Both Junior Varsity and Freshman track exemplified this in the organization and cooperation within the team.

Some outstanding members were J.V. members Rick Simmons — shot put, David Boliard — sprints, Goeff Shaw — discus and Frosh Daryl Tate — high hurdles, Matt Haworth — shot put, Richard Holmes — low hurdles. With a small number of runners it was difficult to adequately cover every event. They had an excellent start this year and concluded with a high win record for San Juan High.

Girls Muddled Through Rainy Season

The 1982 Girls' Track team showed great determination and outstanding loyalty to the team, working long hours to perfect their skills. San Juan began the season well with an outstanding effort against the 1981 section champs Casa Roble and the La Sierra Longhorns. Although rain hindered many practices and caused the cancellation of a few meets, the girls moved indoors to keep in competitive form. This year's team had a large number of returnees, including seniors Susie Martinez, Angie Thomas, Suzanne Johnson, Tina Christensen, and C.A.L. League hurdle champion Dani Atkins; juniors Sybil Rouse and Danielle Walters, and sophomores Kim Helsel and Sue Nelson. The girls were coached by Head Coach Warren Dibben and his assistant coaches: Rick Neal, in charge of sprinting and hurdling, Dave Hamer, in charge of the distance runners, and Neil Anderson, in charge of the discus throwers and shot putters.

1. San Juan Girls' Track Team: Back Row: Tylene Osgood, Dani Atkins, Kim Helsel, Tracy Walton, Debbie Siska, Tina Christensen. Varsity Softball Stressed Teamwork

The 1980-82 Girls' Varsity Softball Team got off to a great start. They placed third out of eight teams in the Yuba City Tournament, and they played very well in their pre-season games. Along with a few new girls, the team consisted of many returning players from last year and three girls up from J.V. Together they formed a spirited, hard-working group. The girls got much support from coach Marcie Davis, who said, "Their willingness to work hard together made them a strong, successful team."

The team proved to be tough in all positions. The infield had lots of spirit and hustle, while the outfield was fast and accurate. The team also scored well with their hitting and running abilities.

1. Gina Costello and Tammy Schmidt move to field the ball as the base runner advances. 2. Pitcher Diana Robinson releases the ball. 3. Denise Roberts gets set for the next play. 4. Team members are: Back Row: Chris Ikemoto, Patti Nomura, Katrina Huntley, Tammy Schmidt, Trudy Breece, Jacqui Onsted, Chris Petroni, Vickie Duncan. A Spartan hustles to field the ball. 7. San Juan players discuss the situation.

Spartans Displayed Competitiveness

The San Juan J.V. Softball players participated in extremely competitive games. The experience of veteran players Paula Valentine, Keilani Curtright, and Sherri Smith, and a good defense led by pitchers Keilani Curtright and Marilyn Strautman were key factors in the team's competitiveness. Strong hitters Sue Petroni, Christine Anderson, Sherri Smith, and Tammy Sypnicki headed the Spartan offense.

In order to play the best possible softball, Coach Berhel firmly stressed positive attitudes. Conditioning and the fundamentals of the game also played a large part in his program. Enduring practices that primarily concentrated on game-type situations, hitting, and defense contributed to the rivaling nature of the Spartans.

1. Keilani Curtright releases a change-up. 2. A Spartan throws to first for an out. 3. Sue Bolander fires the ball. 4. Chris Gopez gets set to field the ball. 5. Front Row: Sue Bolander, Marilyn Strautman, Chris Gopez, Paula Valentine, Anne Chestnut, Christine Anderson, Sue Petroni, Toni Valtman.

Girls' Tennis Displayed Winning Spirit

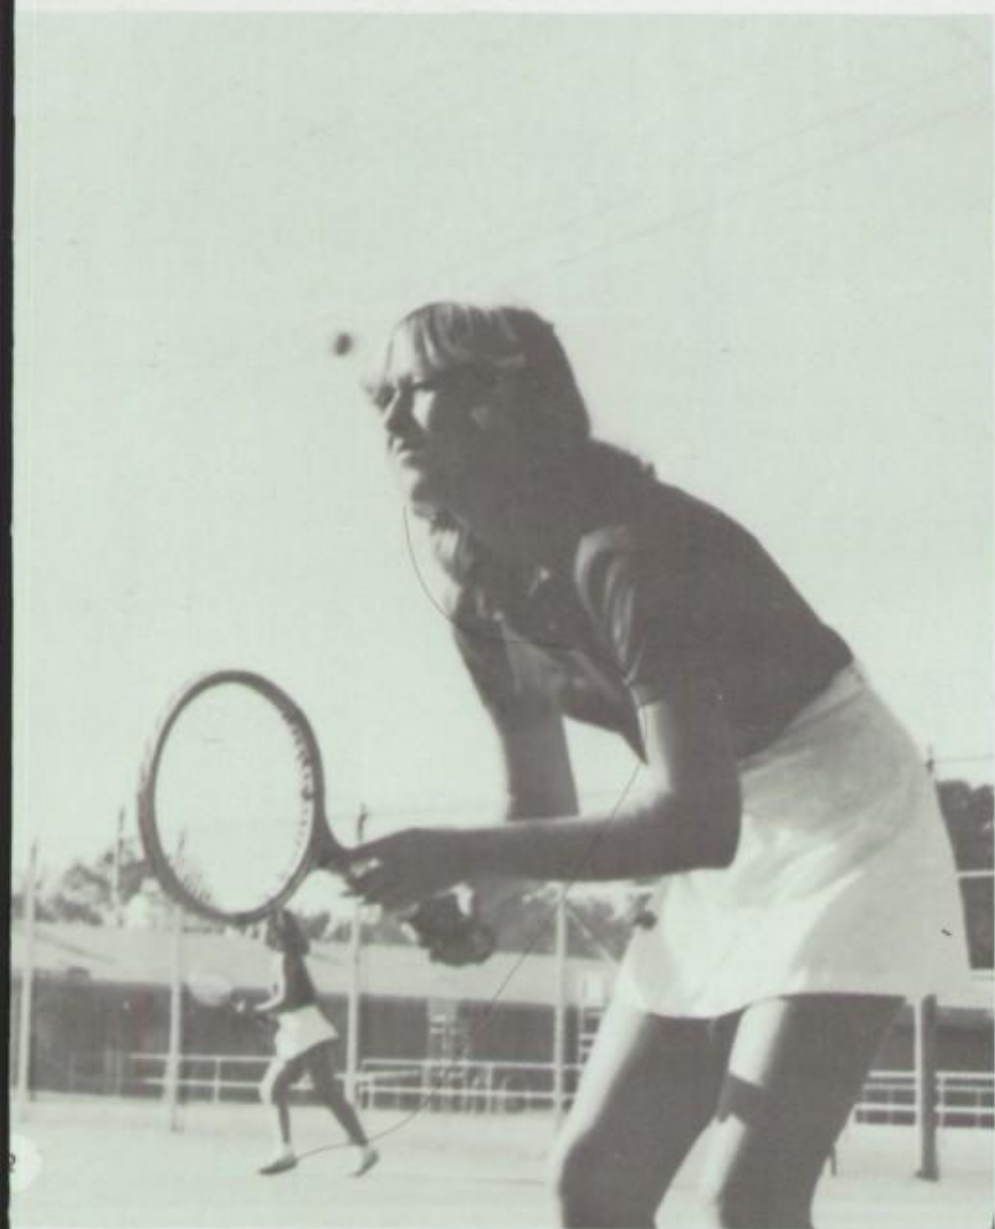

Girls' tennis was a well-organized, strictly disciplined, die-hard team. They played together, worked together, laughed together, and cried together. Team members had a winning team spirit, although it wasn't always evident on the score sheet.

This year, the top two players, Carol Kawashima and Sammy Ramsey who was also the team's captain, made it to the League Playoffs. "Next year we hope to have still a better and stronger team," said the dynamic coach, Mrs. Lee. Looking back on the season, one player remarked, "We've won some, we've lost some, and we've had a lot of fun trying."

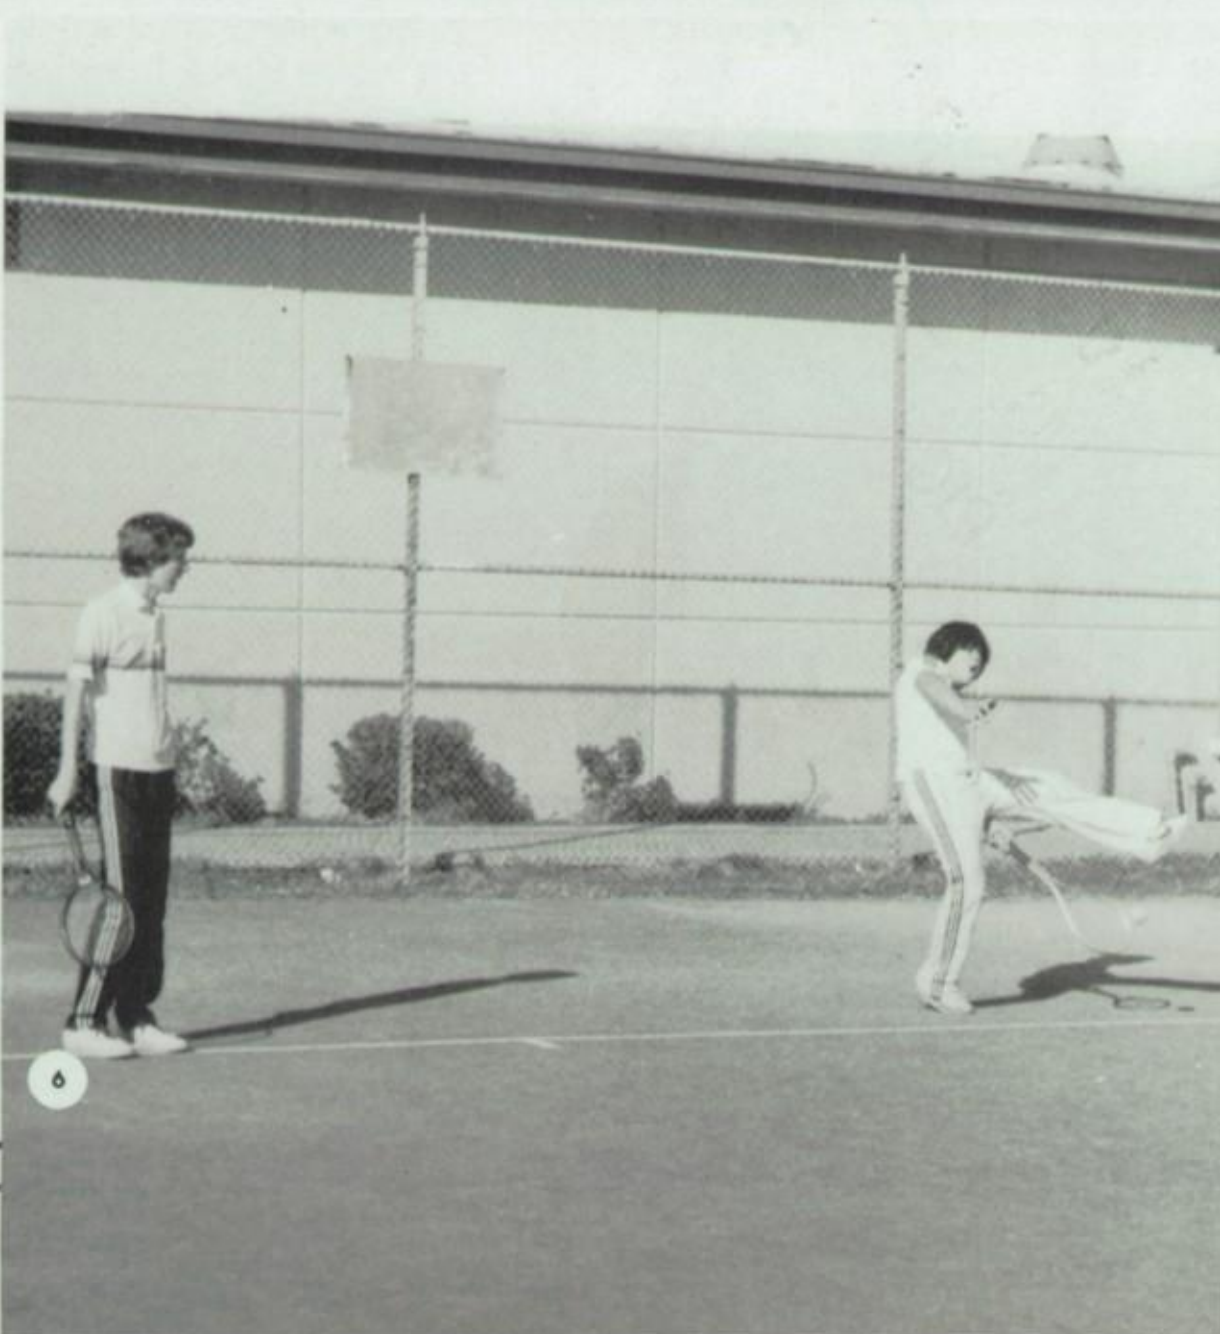

1. Joanne Friesen sprints to return a volley. 2. Lisa Doss awaits the moment of truth at the net. 3. Sue Morrell and Mrs. Lee enjoy a relaxed moment. 4. Dani Walters returns a serve. 5. Bottom Row: Sammy Ramsey, Sue Morrell, Dani Walters, Lisa Doss, Robyn Burnaw, Jennifer Brown. 6. Captain Sammy Ramsey scores another point. 7. Sue Morrell strikes with style.

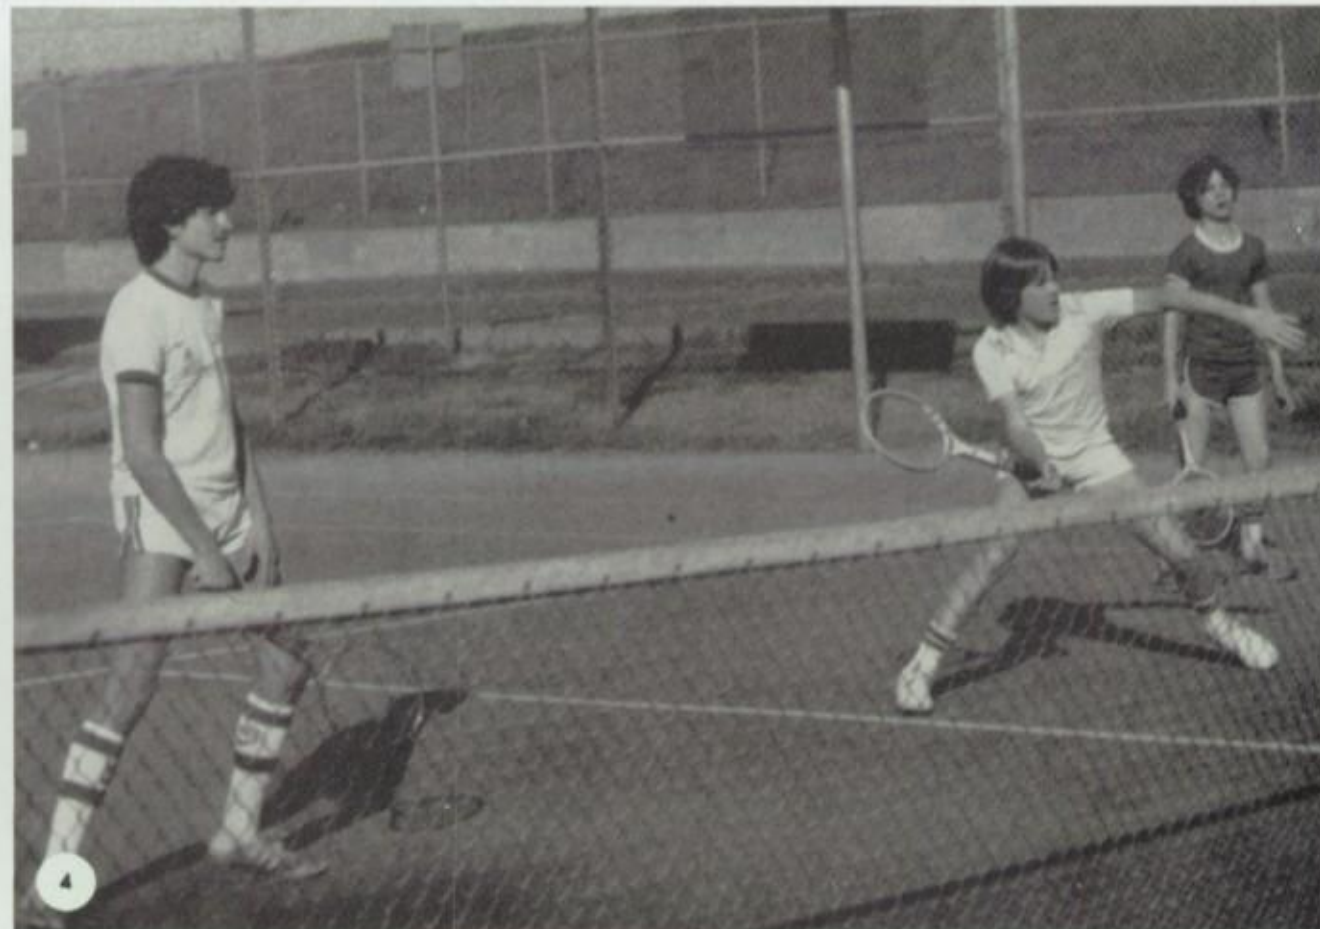

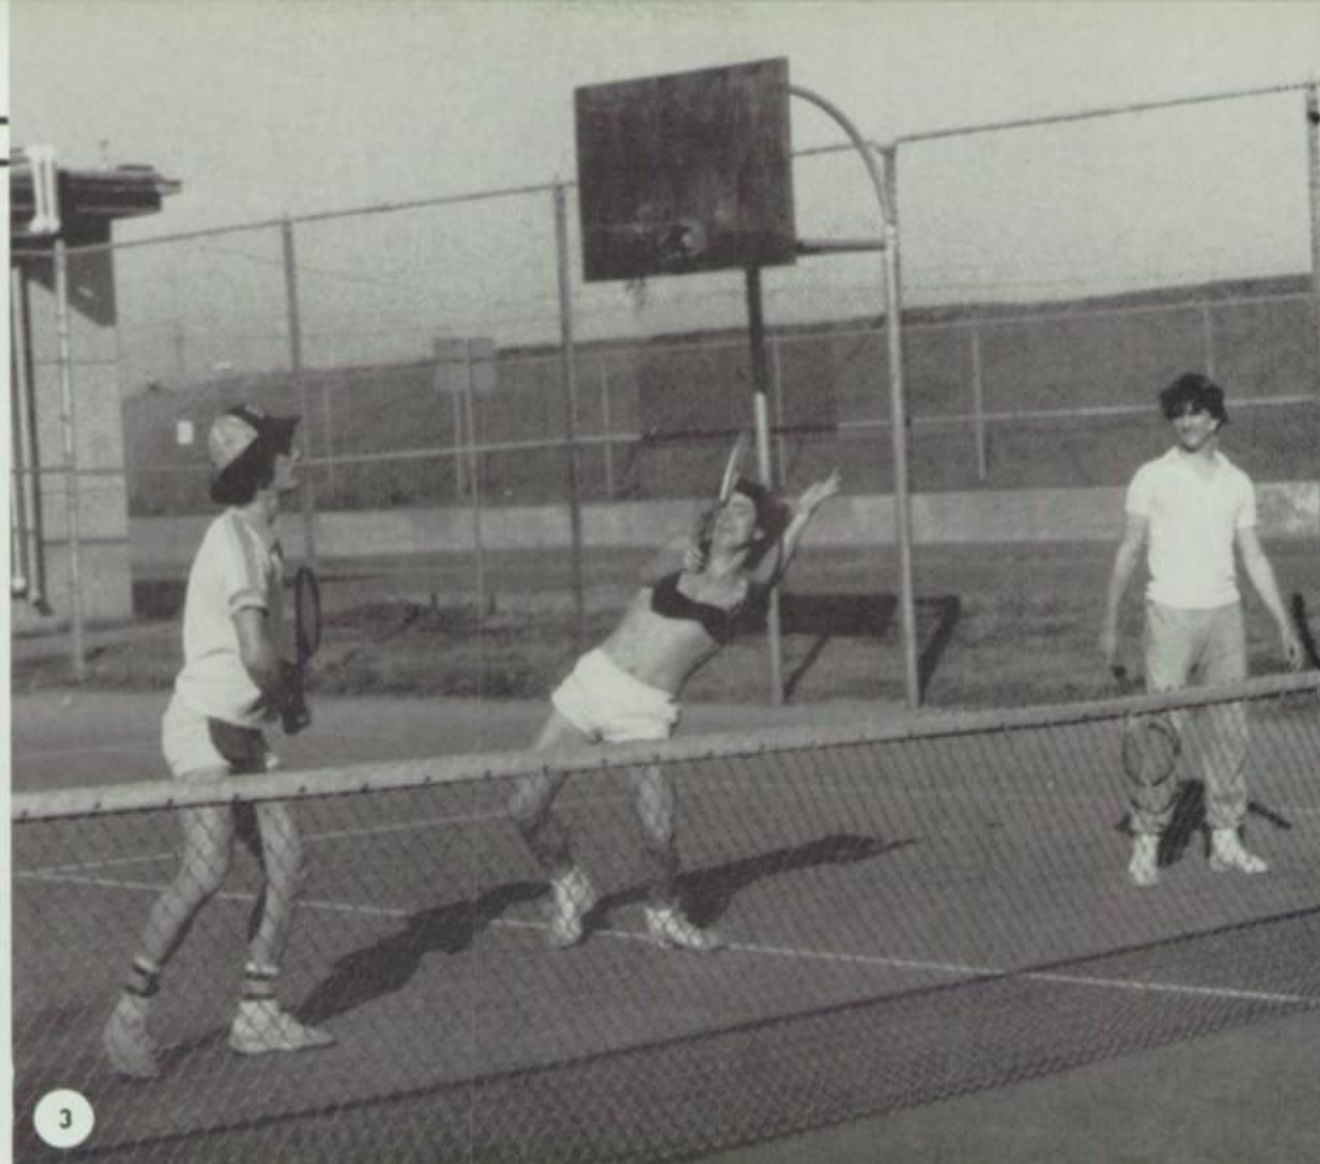

Netters Look to Winning Season

Led by Coach Lee and captain Steve Wilcox, the 1982 Boys' Tennis Team showed a lot of promise. With 6 returning players, the boys worked hard to improve their last years' 3rd place league finish. "One of our main goals," said Coach Lee, "is to beat Bella Vista."

1. Boys' Tennis Team: Coach Arlene Lee, Lisle Baker, Brian Laufenberg, Roland Peterson, Robert Keeler, Steve Wilcox, John Santos, Paul Patillo, Chris Clark, 2. John Santos shows off on the court. 3. Runners Competed Under New Format

Although small in numbers, this year's Cross Country team held strong individuals in both character and skill under a new format. Coach Wilson remarked, "Due to young runners and lack of members, success wasn't as apparent as anticipated, but the kids had fun." Plenty of practice and hard work paid off for honored runner Suzy Martinez as she placed fifth in the Sub-Section and nineteenth in the section. With effort and dedication returning runners Matt Lowe, Lisle Baker, Tracy Walton and Tina Christensen delivered outstanding performances at each meet.

1. Determined to win, the Boys' Cross Country runners struggle through a practice after school. 2. Spartans Made a Splash

Unable to get into the pool until March 1, the Swim Team shared the weight room and the track during February with the Track Team, lifting weights, doing stretching exercises and running to get into condition. The Swim Team participated at the Chico Invitational Meet the 26 and 27 of March and attended the league meet April 30 and May 1.

Outstanding team members were Rich Keller, Joni Oxford, Alice Crandall, Ed Riehle, Kathy Yates. Bill Wharton, Head Coach, and Rhonda Elliot, assistant coach, led the team through a rewarding season.

Waterpolo Showed Talent and Ability

The Waterpolo team possessed an abundance of talent and ability this year. A superb offense was led by Dave Logsdon, Troy Schroeder, and Scott Moulton. In the Forty-Niner Tournament, all three of these were chosen as All-tourney players. Outstanding players Ed Riehle, Mike Melton, and Rich Keller headed the Spartan defense. Selected to the All-league first team was Ed Riehle. Troy Schroeder, Dave Logsdon, and Scott Moulton were picked for the All-league second team.

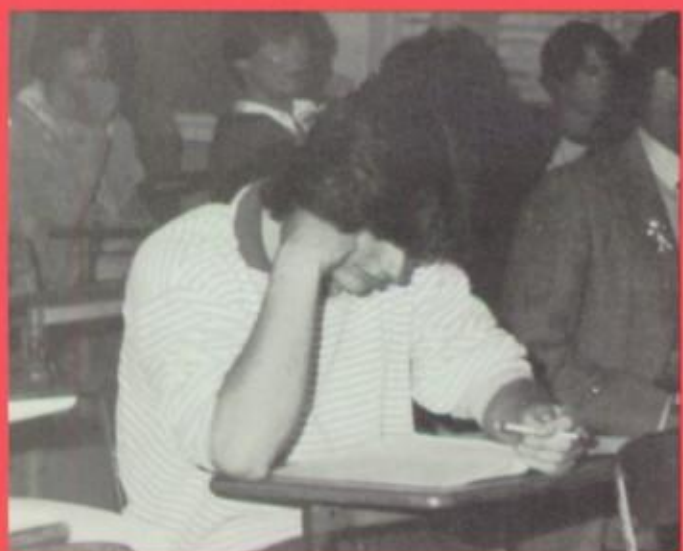

Of the team, Coach Wharton said, "I was very pleased with their attitude and their hard work they put forth. The team members worked really well together as a group, but injuries killed us." The role injuries played was reflected in their season record of only four wins out of twelve games.

Looking back on our last year at San Juan, many memories start to emerge. Reflecting on our past we can relive many important moments. We've made decisions, met requirements and we've planned, and are still planning, for the future. We have managed to strive through the pressure, the confusion, and our frustrations of biding time, asking questions and finding answers. We've started discovering and learning who we really are. Our hopes and dreams are becoming realities — realities that will affect us for the rest of our lives. Our anticipation and determination are finally paying off. Now that we've received our diplomas, we can take pride in knowing we made it! And when we have reached our goals and have found our place in life, we will look back on our four years spent at San Juan High, and realize that graduation didn't mark an end, but a beginning.

San Juan's original male preppy is Craig Morphis. He is a very unique individual who enjoys life as well as many other activities. He has appeared in off campus productions, has placed 1st and 2nd with a group of 4 choristers in the California State Talent Competitions, has performed a successful pipe organ concert at the State Fair, has assisted in San Juan drama productions, is a writer for *Spartan Highlights*, and is a member of both the Immoral Minority and the French Club.

He loves punk rock, preppy attire, and strange behavior. When asked why he chose to be different, he replied, "Wouldn't the world be boring if everyone was the same?" Well, Craig, the world definitely won't be boring if you have something to say about it.

FACULTY

Goals Focused on Improvement

Faculty and staff goals for 1981-82 were focused on improving San Juan in three basic areas — The Physical Plant, Communications, and Instruction. The black top area behind the gyms was resurfaced, and a mural-painting class was instituted in the Art Department to beautify the campus. Goals for improving communications included more thorough notification of parents about student absences and better information to parents and the community about San Juan activities.

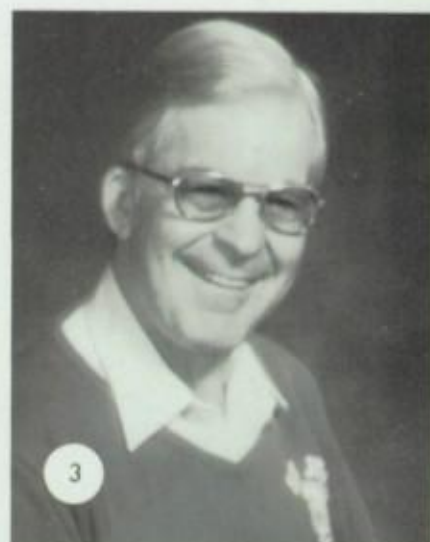

Perhaps the most important goals to the faculty were those which focused on the improvement of classroom instruction. Efforts were made to make

is the improvement of
classroom instruction."**

more systematic the observation and evaluation of teachers and to evaluate and improve curriculum through the use of standardized tests like the California Assessment Program. Proper oral and written English were emphasized by most departments, and the English Department's writing program was maintained. Along with attempts to increase classroom instruction time, teachers were encouraged to expect academic excellence in all students on all grade levels.
